Kampus Kuties to Kaper At Founders Day Frolic

Man!, have you dug the latest bug that's goin' round our ground? Well, get on the ball and cue in for the data on the BIG KKK Dance, tomorrow night in the gym. The Kampus Klub Kuties are better known as the Monogram Club and are holding this dance in accordance with an old Guilford tradition.

The initial theme of the dance is to be a nightclub motif. There will be soft lights and music played by the Rythm Vets, plus a complete floor show composed of various talented Guilford students. Among the entertainers are Bob Marsh, Julie Trimble, Craven Mackie, and Ray Albright.

The Monogram Club has consented to divulge a bit of information as to other celebrities that will attend. Gregory Schwartz and his Firehouse Five plus two minus one are expected to "jack" down from Alaska by dogsled. Tallyho! The crowning glory of the affair will be the presence of two quite mysterious individuals only known as The King and The Queen of swing. They have affected an initial triumph by winning the international Bop contest at Myrtle Beach, to the tune of "Long Tall Sally". For these gems of information, we have only Mr. Benedetto to thank. A real Kampus Kutie!

Founders Day weekend will be one of the liveliest on campus this

year, and the KKK dance will be the highspot of the events of the day. The Monogram Club has gone all out to make it the best possible fun, with waiters, cigarette girls and all. So join the fun on Saturday night and come to the KKK dance at 8:00, in the gym. Tickets are \$1.00 drag and \$.75 stag. Don't jack back after a snack, mack! Dance and Romance! Give it a chance!

Scholarships Noted

Many scholarships are available to the graduates of 1958. It is up to the senior student to apply for many of these fellowships and other forms of financial aid as early as possible. The General Electric Educational and Charitable Fund are offering pre-doctoral fellowships, to be decided on a competitive basis, for 1958-59. Thirty-four Fellowships will be offered. Twenty-eight in the area of Physical Sciences, Engineering, and Industrial Management will be made available. Six will be offered in the area of Liberal Arts, Business Administration, and Graduate Law. The Graduate Record Exam should be taken on November 16, 1957 in order to be considered eligible.

The Graduate School of Arts and Sciences of Duke University announces the James B. Duke Fellowship Program for the Academic Year 1958-1959. Appointments with stipends of \$2100 are open to students with the bachelor's degree. Requests for application forms and information should be directed to Dean of the Graduate School, Duke University, Durham, North Carolina.

If the senior student would like to know the possibility of receiving financial aid in the form of a fellowship in graduate school, he should contact Mrs. Milner or his major professor, as early as possible.

NINE STUDENTS ATTENDING STATE STUDENT LEGISLATURE

This year marks the twenty-first session of the North Carolina State Student Legislature that will be held at Raleigh today through Sunday. Representatives from twenty-three colleges and universities situated in North Carolina will attend this three day session to be held in the State Capitol. Each school will sponsor a bill that will be debated in the Senate and the House of Representatives. The bill that the Guilford delegation will sponsor this year is: Resolved—That there should be no censorship by the government of literature in the public schools.

The delegates that will represent Guilford college are Chris Suiter, Raleigh; Bill Manson, Greensboro;

Richardson to Reign As '58 May Queen; Cashwell Is Runner-up

Miss Rachel Richardson, a blue-eyed blonde from High Point, N. C. was elected 1958 May Queen from ten senior candidates by a vote of the entire student body in Tuesday and Wednesday chapels of this

week. The role of queen is nothing new for Miss Richardson, who last year reigned as 1956 Homecoming Queen. As May Queen she will be the center of attraction in the May Day festivities, which will be cele-

brated the first Saturday in May. Runner-up in the election was Miss Mary Cashwell, of Hope Mills, N. C. She will serve as maid-of-honor and chief attendant to the queen.

May Court

The other eight candidates will all be members of the May Court. They are: Miss Clara Atkinson, of Walnut Cove, N. C.; Miss Ann Harper, of Haddonfield, N. J.; Miss Pinky Lapp, from Hatboro, Pa.; Mrs. Carolyn Newlin Liverman, of Burlington, N. C.; Miss Ruth Simpson, also from Burlington; Miss Denny Walters, of Wilmington, Del.; Miss Susie Walter, from New York City; and Mrs. Anne Rollins Watson, of Asheboro, N. C. This year's court represents a first in the history of Guilford College; it is the first May Court with married co-eds.

The ten co-eds on the court were chosen from thirty-three senior girls by voting of the Senior Class. Both it and the queen's election were carried out under the direction of Bob Newton, Senior Class President.

May Day is sponsored by the Women's Athletic Association. The queen will be crowned on May 3rd during the afternoon activities when the court and their escorts will be formally presented for the first time. They will appear again that night at the semi-formal dance climaxing the May Day program.

Mr. Sumner Mills to Speak At Ward Lecture Tonight

Mr. Sumner A. Mills, a very well-known leader in the Society of Friends, has been chosen to deliver the eighth Ward Lecture tonight at Guilford College. This lecture is

MR. SUMNER MILLS

given each year on Founders Day. "Developing Leadership for the Society of Friends" is the topic which Mr. Mills has chosen for the lecture.

Presiding clerk of the Five Years Meeting of the Society of Friends, Mr. Mills is a native of Indiana. Originally from the Guilford College Community, Mr. Mills' great-grandparents moved to Indiana.

Earlham College in Richmond, Indiana, can claim Mr. Mills both

as a graduate and a former trustee. He was also on the faculty in the history department for five years. Formerly president of Maplehurst Farms, Inc. and vice-president of Meridian Mutual Insurance Company, Mr. Mills is now retired.

Just a glance at his past activities shows what a full life of service Mr. Mills has given to the Society of Friends. Having served as clerk of the Western Yearly Meeting and as vice-chairman of the American Friends Service Committee, he has also been chairman of the Friends Committee on National Legislation. In 1952 he was a delegate to the World Conference of Friends at Oxford, England, and from 1952 to 1954 he served as coordinator of the regional offices of the American Friends Service Committee.

Mr. and Mrs. Mills have spent much time in the past visiting Friends groups, missions, and service projects in Africa and Asia.

Varied Chapels Are Scheduled

Trying to decide whether to be attentive, sleep, or study during chapel? Here are a few interesting items that might help you make your choice. Mr. J. Floyd Moore, of the Convocation Committee, has released the schedule for chapel during the weeks of November 8-21.

Today being Founder's Day, Mr. Floyd Moore will speak in freshmen chapel using "The Concept of Worship Among Friends" as his topic. Students who represented Guilford at the 1957 session of the Student Legislature will make reports of the work and activity carried on there in chapel on November 12 and 13. The Student Christian Association, of which Jimmy Askins is president, will have charge of chapel November 14 and 15.

The Men's Student Government has asked Dick Crowder, a Methodist minister, to speak in upperclassmen chapel, November 19. Mr. Crowder, a graduate of Duke University, was an outstanding athlete during his years at Duke. November 20 and 21, the Reveler's Club will give a preview of their play, "The Alchemist," which is to be presented November 21, 22, and 23.

Hobbs to Hold Open House

Mary Hobbs Hall will hold an open house on Saturday afternoon, from the time immediately following the Appalachian-Guilford football game until 6:00 P. M. Refreshments will be served in the dining room, which has been recently redecorated. All visitors will be greeted at the door and guided to the various rooms on each of the floors.

Calendar of the Week

November 15—Canterbury Club, 7:00; Freshman Chapel, Memorial Hall, 10:20; SCA; IRC.

Forum to be Held At WC Nov. 14-15

A specialist in United States foreign affairs and two prominent American authors whose views on the future of Russia differ sharply will be on the Woman's College campus Nov. 14-15 to lead a forum on the powers which dominate the world today.

Bertram D. Wolfe and Frederick L. Schuman, authors and lecturers with virtually opposite approaches to the future of Russia in the world scene, are expected to offer spirited debate on the merits of foreign policy of Russian leaders, and Dr. Vera Micheles Dean will contribute her views, also expected to arouse audience questions and opinion, on the foreign policy of the United States.

The three will conduct the two-day forum at Woman's College on "Russia and the United States: Powers in Profile."

Bertram Wolfe, speaking at 8 p.m. Nov. 14 in Aycock Auditorium, will open the forum with historical background on Russia since Stalin.

Second session, planned for the Elliott Hall Ballroom at 10:15 a.m. on Friday, will feature Frederick L. Schuman's views on "Russian Policy Toward the United States." At 2 p.m. Friday, informal round-
