

Hart-beat

Quakers Behind in Yards; Way Ahead in Other Stax

BY SID HART

Now who would have thought that at the end of the third game of the season Guilford College would possess a 2-1 record? The Quakers lost their opener to Elon by a 14-7 score, and the experts settled back to their chore of picking Guilford as underdogs for the remainder of the season. Against the Bridgewater Eagle the prognosticators figured that the Quakers ought to beat a fairly weak team. This the Quakers proceeded to do, and in a big way, the final score seeing the Quakers ahead 28-0. Then came Emory and Henry for the Guilford homecoming, and the experts decided that the Quakers would not have enough DDT to knock off the Wasps. But the chemistry majors evidently got busy and figured out a new wasp killer, and the Quakers copped a 14-0 win and had one touchdown called back. The strong Lenoir-Rhyne Bears invaded the campus last week, and you know the outcome of that game. Tomorrow the Quakers are idle, and then start again October 25 against Hampden-Sydney, and wind up the season against Appalachian, Catawba, and Western Carolina, three North State foes.

PARKER, BAKER LEAD OFFENSE

In the rushing game of the Quakers *Lester Parker* has bulldozed his way for 103 yards in 25 carries for a 4.1 average to lead the ground game and be in first place in total offense. *Brodie Baker* is close behind with 99 yards, losing six on the ground but gaining 105 in the air. *Baker* has completed seven of 12 passes (58.3 per cent) for one touchdown. None of his tosses have fallen in the hands of the defense. Coming behind *Parker* and *Baker* is *Tom Bowers*, a talented freshman, who has racked up 73 yards in 12 carries for a fine 6.1 average. Next in line is *Johnny Meroney*. The redhead has toted the pigskin 30 times, more than any other back, for 62 yards, and an average of 2.1. *Bill Huber* falls next on order with 48 yards in the air. *Huber* has completed 40 per cent of his aerials, four for 10, and has had a pair intercepted. *Sid Teachey* and *Bob Smith* are running a close race behind *Huber* with 44 and 42 yards, respectively.

In the pass receiving department *Jim Stutts* is the leader with eight receptions. *Stutts* has gained 84 yards for an average of 10.5 per catch. *Tommy Price* has grabbed two for 49 yards, and *Bob Holloway* has caught one for a 26-yard touchdown.

INTERCEPTIONS, KICK RETURNS

In the first three games the secondary grabbed off 10 aerials, with *Baker* and *Daryl Allen* collecting three each. *Teachey*, *Jack Holley*, *Meroney*, and *Stutts* have each intercepted one. *Teachey*, as one would expect, is the leader in punt returns. The Wallace flash has returned three for 92 yards for a 30.7 average and one TD. *Meroney* is not far behind with an average of 21.7 for three returns and 65 yards. *Jackie Williams* has brought back one punt 18 yards. *Smith* has returned a pair for 39 yards and a 19.5 average, while *Holley* has returned one for 18 yards. Overall the Quakers have had the chance to return only five kick-offs.

KICKING, SCORING LEADERS

The kicking game of the Quakers is another thing not to be overlooked. *Parker* has put his foot into six kick-offs, and has averaged sending the ball 52 yards downfield. That's averaging putting the ball on the enemy eight every time. On 10 such kicks the Quakers have averaged 47.2 yards per. In punting *Huber* has booted the ball 13 times for 438 yards and a 33.7 average. *Parker* has 10 for a 29.6 average, with the team averaging 32.0 per punt. No one has been able to return any kick or block a punt. The scoring is being led by the Sherman tank with nine points on a touchdown and three kicked extra points. *Bowers* and *Smith* are close behind with a touchdown and a two-point PAT each. *Baker*, *Teachey*, *Huber*, and *Holloway* each have tallied one touchdown.

TEAM STATISTICS

As a team the Quakers have gained 26 first downs, 355 yards on the ground and 165 through the air for 520 net yards. The combined efforts of Elon, Bridgewater, and Emory and Henry have managed 27 first downs, 398 yards overland and 199 in the air for a total of 597 yards. Overall, the Quakers have completed 11 of 22 passes, with only one interception, and a touchdown, while their opponents could complete only 14 of 44. Of course, counting the interceptions, they have completed 24. The Quakers have lost two fumbles, the same as the opponents. The big thing is the penalties. Guilford has drawn 250 yards of penalties to the opponents' 170.

There you have them, the stax on the first three games of the season for the Guilford College Quakers.

Quakers leave the field victorious after the Emory-Henry game.

Lenoir Rhyne Tops Basketball Schedule Guilford Quakers By Score of 30-0

Between the time of the kick-off and the end of the game last Saturday afternoon on Hobbs Field the Lenoir Rhyne Bears had amassed 485 yards on offense, and Guilford was dealt a 30-0 defeat.

The Bears looked to be at their best as they ran the single wing at a powerful clip. Of the 485 yards, 295 came on the ground and 190 were the results of passes. Lenoir Rhyne attempted 23 aerials and hit on 14. Several of the passess were dropped by receivers. Never could Guilford mount an offensive.

Lenoir Rhyne scored at least once in every period, and hit paydirt twice in the second quarter. Lee Farmer, Bill Ackard, Tommy Simmons, and Guy Fisher each tallied one touchdown. Tony McClamrock, although he did not score, racked up 104 yards in 10 carries. Farmer and Ackard both totaled over 100 yards on offense.

The Bears scored in the first quarter on an eight-yard run by Farmer to cap off a drive that covered 64 yards.

In the second period the Bears struck twice, with Simmons and Fisher crossing the last stripe. Sim-

The tentative schedule for this year's basketball team through December is as follows: (This does not include several practice games which will be played prior to the official beginning of the season.)

Nov. 29—East Carolina	Home
Dec. 2—Apprentice Navy	Home
4—High Point	Home
6—Appalachian	Home
9—Lenoir Rhyne	Home
11—Pembroke	Home
16—High Point	Away

mons bucked across from the one, and Fisher scored on a 12-yard pass from Marcus Midgett.

The third quarter saw Ackard intercept a Brodie Baker pass as midfield, and race 50 yards for Lenoir Rhyne's fourth and final touchdown.

The last two points for the Bears came in the fourth period when Baker was tackled for a safety.

29 Boys Turn Out For First Week of Basketball Practice

Coach Shoaf began practice last week with twenty-nine candidates out for the basketball team. Returning are Bob Young, the 6' 4" starting center on last year's team, from Asheville; Ted Tilghman, 6' 3" forward from Wilmington; Charlie Clark, 6' guard from Asheboro; Jack Holley, 6' guard from Wilmington, who is also a leading half-back on the football team and won't be out until the completion of the gridiron season; James Lancaster, 6' 3" forward from Martinsville, Virginia, who holds the gym record for number of points scored in a game—forty in a Jayvee contest; and Bruce Stewart, a 6' 4" forward, from Lynn, Massachusetts.

After only two days of practice, Coach Shoaf says his best looking freshmen are: Donald Lineberry, 6' 1," from Asheboro; John Burwell, 5' 10" from New Bern, who played in the East-West All-Star Game at Greensboro and was an All-American High School player; Gray Atkins, 6' 2," who led Beulah High School to county and district honors last year; Raymond Sharpe, 5' 11," who was outstanding at Newton in baseball, football, and basketball; Richard Stryne, 6' 1" from Conneaut, Ohio, and Buddy Kev, 6' 2", from Portsmouth, Virginia.

There are several other promising candidates; it's too early now to be able to tell who will lead the Quakers this year. Gone and hard to replace are "Stretch" Burgess,

MEMO FROM Guilfordian Don Badgley

Short course in lifelong economics for college seniors!

If you are soon going to graduate, you'll be interested in learning about New York Life's program of life insurance especially suitable for college students.

Several attractive plans are available for you to choose from. And because you are young and still a student, you enjoy the money-saving advantage of low premium rates. What's more, through my personal arrangement you can defer payment of the first premium until after you graduate.

Get all the valuable facts on New York Life's attractive, low cost way to financial security. Send for your free copy of the informative booklet, "It's Your Move, Joe..."
