

A SALUTE TO THE SENIORS

FOOTBALL

Tom Barnes—Tom played little football as a freshman due to the fact that he was hampered with a bad knee. Some even felt that he would never play again. He worked on the knee and became one of our toughest ends. Tom was chosen captain in this, his senior year. His ability earned him the Most Valuable Player Award this year as well as a Little All America Honorable Mention. This year he threw the javelin in track and came in fourth in that event at the recent conference meet.

Howard Braxton—Howard, termed a "leader" by the coaches, has participated in three sports in his four years at Guilford. He has been one of our finest trackmen in recent memory. "Rabbit" earned his track fame in the 440, Mile Relay and recently the 880. Last year Howard was an offensive end on the Football Team. This year he was switched to a defensive end. Howard also played Basketball for two years.

Bobby O'Daniels—We're really going to miss Bobby's kicking talents next year. His educated toe has scored many a field goal and extra point in his four years of football at Guilford. Bob has played both end and halfback well. His greatest games were against East Carolina two years ago and Catawba this year. Although we lost that East Carolina game Bob's kicking and catching rose above all other performances. In the Catawba game Bob intercepted three passes and was, perhaps, the main cause of our victory. This year Bob was chosen alternate captain. He also played two years on the Baseball Team.

David Wells—Wells is a dedicated athlete. He has been constantly improving since he's been here. David, this year a starter and a returning letterman from last year, was chosen as co-captain. He's termed "steady" and better than most at his position of offensive tackle.

Ed Williams—Cookie has been playing football at Guilford for four years now. Last year he was given the Best Hustler Award. Cookie is a leader, a fine, tough running back and the kind of boy a coach likes to have. This year

he was hampered with injuries and did not see much action. He's another one of those two sport men, outstanding in track since his sophomore year.

George Benjamin, Tom Barnes, Howard Braxton and Ernie Pascal are the track graduates. George high jumped this year and reached a peak of six feet. In the recent Carolinas Conference Meet he came in third.

BASKETBALL

Nobody—Thank God.

BASEBALL

Carl Hampton—For two years Carl has patrolled Center Field in great style. In that time few balls have escaped the defensive ace. This season he was out for three weeks with a bad shoulder. One look at the team's record shows how much he was missed. Carl was alternate captain this year. He's a History major who soon plans to teach.

Mickey Herrin—Mickey has been playing baseball at Guilford for three years now. As a sophomore he compiled a great 7-0 record. Since then injuries have plagued him and he has never been able to regain the form he showed in 1961. Mickey is an Economics major from Monroe, N. C.

Lee Johnson—Lee came to Guilford as a transfer student from Washington and Lee. He's played here for three years and during that time he has earned a reputation as a superb infielder. Lee completes the trio of injury troubled Seniors. He missed two weeks of this season due to mononucleosis. This year he was chosen as captain of the Baseball Team. He's a good all-around player who we're certainly going to miss.

OTHER GRADS

In Tennis the number one and two men, **Steen Spove** and **Montie Milner** are both leaving for Harvard to do graduate work. Montie has been playing for four years. He's been called a scrapper and a fierce competitor by the coaches. Joining the Harvard twins on the graduate list is **Joe Benson**. Many upperclassmen remember the fine battles Joe and Steen had last year as they fought for fifth position on the team.

Walter Brown is the only graduate of a new Soccer team. As a starter in this, the team's first year, Walter won recognition as an outstanding dribbler and offensive man.

Trackmen Fifth CC Meet

The Guilford College thinclads served as host to six other colleges in the Carolinas Conference Track Meet on Saturday, May 11, but were not rewarded for their hospitality as they finished fifth. Lenoir Rhyne finished first as expected with High Point coming in second.

Four Carolinas Conference records fell at the day-night meet at Greensboro Senior High School stadium.

Lenoir Rhyne's Football Halfback, Joe Rhyne, put on the best row of the day as he won the road jump, 100 yd. Dash and the 220 yd. Dash.

Guilford's lone first place came when Tim Ray threw the Shot forty-four feet.

Points for the Conference meet were given on a 5-4-3-2-1 basis.

At the same time the NAIA District 26 meet was run. Lenoir Rhyne also took this.

Spring Basketball

Jerry Steele, Guilford's elated basketball coach, is proud to announce the great success of his spring basketball practice. The constant scrimmages which have been going on for the past few weeks and the hard work of Coach Steele have produced some of the finest prospects Guilford has had in recent years.

Upperclassmen Buddy Milks, a two-hand dunker, and Punchy Ferris, an aggressive ball handler, have been practicing with the team and looking good. Charlie Black of Greensboro and Chuck Scott of East Carolina, two new boys, should help Guilford in the height department. The new boys trying out for the backcourt are Danny Curran, Bill's brother; James Team, transfer from N. C. State where he played freshman ball; and Gary Halpern, a New York basketball star.

With the way things look now people just better look out for Guilford.

The twenty-two game schedule contains the minimum number of conference games which will qualify a team for the conference tournament (twelve). It is hoped that the "balanced schedule" will provide Guilford with a winning season.

Brinley McDaniel is the lone Golf graduate. This year he was the team's number two man. He has played basketball for Guilford.

SUMMARY

Guilford Athletics is fortunate in the fact that we are losing so few athletes. Fourteen is a small number in comparison to the amount of rising Seniors we will have next year. If we look the situation over more closely, though, we find we are not as secure as we think. We are losing a lot of key players. A tough lineman, a kicker, a rough end and some great defense, two great glove men and a good pitcher, the first three men on the tennis team, the number two man of the golf team, a great offensive soccer player and a high jumper are going to be hard to replace.

The only team that will not suffer is the basketball crew.

Grads, we're really going to miss you. No kidding.
