As a convenience to persons who work night shifts, each of the courses will be taught during morning hours as well as in the evening, she pointed out. Classes will meet weekly for 14 weeks.

In Burlington, "Introduction to Criminal Justice" will be taught each Wednesday, starting Jan. 29, while "Corrections, Parole and Probation" will meet each Thursday, starting Jan. 30.

Each class will be offered from 9 a.m. until 11:30 a.m. and repeated that evening from 7 until 9:30. Classes will

be held in the Meeting Room of the Alamance County Health Department.

In High Point's Fagan Academy, "Criminal Law II" will meet each Wednesday, beginning Jan. 29, and "Criminology" will meet each Thursday, starting Jan. 30. Class hours are the same as in Burlington.

Persons wishing to earn college credit for the courses may discuss that with Miss Ozment and other admissions personnel at the time of registration.

The Senate meeting opened with a moment of silence. Win introduced two new senators. They are Andrew Rosen representing 2nd North Milner and John Bulluck from 2nd South Milner. Two more senators from Bryan have not yet been confirmed. Due to the fact that Phoebe Pollitt did not return to school this semester a new secretary, Early Evans, was appointed and confirmed.

Mr. David Stanfield from the Development Office of Guilford announced that there would be a Founder's Day celebration on Wednesday February 13 from 10:30 a.m. to 12 noon. He asked that the student body come and participate. The celebration is

to have three main features: 1) a play presenting the beginning of Guilford College, 2) a public recognition of the staff members who have been with Guilford for 34 years, and 3) an address by Douglas Steer, a member of the Woodrow Wilson tour, who will also be with us for two weeks.

The next issue was brought up by Butch Fowley and concerned Job Recruiters being allowed on campus and in the cafeteria. There was much discussion with elaboration on Military Job Recruiters. A bill was finally passed to the effect that all Job Recruiters be banned from the cafeteria and the Grill Room. During the discussion of this topic, it was brought out that solicitors had to go through the Personnel Office before being allowed on campus.

The old business included the announcement that money was still being sought for the information telephone line which is to be located in the basement of Milner. Having the telephone located here will serve two purposes. The

person answering the phone would also be in charge of keeping an eye on the pool table.

Parabolis the used bookstore sponsored by the Senate is located on the first floor of Cox in the same section as the Senate office. Senators are urged to tell students about this and to take their books, which are being used this semester, to be sold. This is non-profit and is there to help the student body.

No smoking posters will be placed in the back of the cafeteria shortly. A bill was passed to allocate \$50 to each of three students who are interested in learning how to set type and bind books with the Unicorn Press in Greensboro. The press is offering 3 intern positions. This will be considered an independent study.

Memo boards were passed out to senators. These will be used to allow students to give comments to their senators.

Over half a million acres of Southern woods were burned last year - by arsonists. If you agree this amounts to a lot of senseless destruction, help stamp it out. Always report arson.
