Intramural News

Thursday, March 4, basketball intramural play ended with Heaven's Seven defeating Hot Ice for the Men's Championship and Mary Hobbs slipping past Binford-1st floor to capture the Women's Championship. The championship games ended a successful season of intramural basketball.

Last Wednesday, Heaven's Seven challenged the Men's Faculty in a fun game. Heaven's Seven emerged the winner, making them the indisputed champions.

The intramural softball season began yesterday, March 22, with seven women's teams and nine men's teams involved. Schedules may be picked up at the

gym.

All the games will be played at New Garden Field on weekday afternoons at 3:30, 4:30, and 5:30. The games will be five innings using regulation slowpitch softball rules. Each team must play with a minimum of seven players or a maximum of ten. Raindates will be on Sunday afternoons and any team with two forfeits is disqualified from league play. The regular season final standings determines the league championship.

The intramural committee hopes that the team spirit and enthusiasm that was shown in intramural basketball will continue through the softball season.

EARTH WEEK

"As honest a reflection of the Black awakening in America as anything you're likely to see or hear in this decade!"
