

Women in Quakerism

A three-part series on "Women in Quakerism" beginning Thursday evening (Jan. 27) at Guilford College will get off to a sweet start.

The first thing on the 7:00 program in the Gallery of Founders Hall will be dessert.

However, the main course to follow will feature Helen Hole of Providence, R.I., retired Provost and professor at Earlham College, and Mary Maples Dunn, professor of history at Bryn Mawr College in Pennsylvania.

Dr. Hole, a trustee of Guilford College, will give an "Overview of Women in Quakerism" at 7:30 and Dr. Dunn will describe Quaker women in Colonial America at 8:30.

Dr. Hole received degrees from Vassar College, Columbia University and Indiana University. Dr. Dunn's undergraduate degree is from the College of William and Mary and her graduate degrees are from Bryn Mawr.

Before joining the English faculty at Earlham, Dr. Hole

taught at Westtown School and wrote its history, "Westtown through the Years." For two years prior to her retirement in 1972 she served as the first Provost of Earlham.

With her late husband Allen, she did relief work for the American Friends Service Committee in France. She was "Distinguished Quaker Visitor" at Guilford college in 1973.

Dr. Dunn has written two books, *William Penn: Politics and Conscience*, and *Women of America*. She edited a third, *Political Essay on the Kingdom of New Spain* by Alexander von Humboldt.

With her husband Richard she has completed a section of a forthcoming history of Philadelphia, *The Founding of a City*. An article on women and religion in Colonial America has been accepted by the *American Quarterly*.

Dr. Dunn was recently elected to a chair on the Advisory Council of the Institute of Early American History and Culture, located at Williamsburg.

COME ON PEOPLE, WE CAN'T DO IT WITHOUT YOU!

Remember the Pep Band?

Yes, we are still in existence. To those of you who are unaware of the changes, you can now be registered for band, and it will be put on your transcript as an audit. We are scheduled to meet in the choir room on Friday nights at 6:00 p.m. Our next home basketball game is the 2nd of February, but we need to meet every Friday until then. There are elections to be held and it has been suggested that we revise the constitution.

In addition, we now are in the process of choosing a new advisor. If you want to be in on things, please come to the next meeting. As always, anyone who is interested in joining the band should feel free to come.

Guilford Summer Schools Abroad

For all members and students who are interested, there will be a meeting in the Founders Gallery on Wednesday, Jan. 26, at 7:00 p.m.

The six Summer Schools Abroad will provide students with the opportunity to study in other cultures and to learn languages in the countries in which they are spoken. The cost is about the same as a half semester on the Guilford Campus for which eight (8) hours of credit are given.

The Schools are located in England, France, Greece, Colombia (S.A.), Germany, and Russia. They offer two courses with eight hours credit and each is led by two faculty members. The fee of \$1125.00 (\$900.00 for Colombia and

\$1450.00 for Russia) covers round-trip flight from New York to Europe and all transportation, hotels, meals and educational expense during the six weeks of formal study. Three weeks are allowed for individual travel and study when each student will plan his, or her, own schedule of learning.

There will also be information about Seminars Abroad for students which visits 11 European countries.

Students who are interested in expanding their learning environment and resources should attend the meeting at 7:00 p.m. on Wednesday to learn more about the program.

For information inquire at the Center for Off Campus Education, Frazier No. 21.
