CIEE has just announced the publication of *The 1977 Charter Flights Guide* listing over 150 flights to Paris, Amsterdam and London.

This unique guide includes charters designed and operated by CIEE especially for students, teachers and university staff - enabling them to travel abroad for part or all of their summer vacation or to spend a full semester or sabbatical year abroad. Summer round trips range in length from 4 to 12 weeks, while the academic year flights extend from 4 to 12 months!

Prices for these hard-to-find flights are pretty hard to beat. They start at \$330 for New York departures, \$399 for Chicago departures and \$459 for Los Angeles and San Francisco departures.

CIEE's advance booking charter (ABC) program has been authorized by the Civil Aeronautics Board, which requires all bookings to be made at least 45 days in advance. The airlines operating the flights are Trans International Airlines, World Airways, Capitol Airways, Martinair and American Airlines. CIEE is a membership organization of nearly 200 colleges and universities and has been active in the field of student travel for over 25 years.

*The 1977 Charter Flights Guide* is free from CIEE, Department PR2, 777 United Nations Plaza, New York, New York 10017; or 236 North Santa Cruz Avenue, Los Gatos, California 95030.

His topic will be: *Lee: A Psychological Problem*. By the age of 33, Professor Connelly had won five of the major awards for publication in the field of southern history. His writing includes: *Army of the Heartland: The Army of Tennessee, 1861-1865*, and *Autumn of Glory: The Army of Tennessee, 1862-1865*, both of which are in our library.
