

Oktoberfest!

Dennis Granzen and John Omanoff supervise the food and beer at the Oktoberfest. Among the delicacies offered were German sausage, cheeses and bread.

Waitresses in traditional costumes were the key ingredient of the afternoon. From left to right: Carla Kosonen, Letitia Johnson, Cornelia Lauf, Julie Schiller, Connie Zieg, Sue Dale, and Peggy Forbes.

Because food and beer were served directly to the guests, problems usually associated with keg parties didn't arise. Many felt it "was the best party Guilford has ever had!"
