

Lacrosse gears up New team for 1980

By Leesa Shapiro
Sports Editor

Have you ever noticed thirty rugged athletes jogging a three mile course around the school and wondered who they were?

They happen to be the Guilford College Lacrosse team. The running is just part of a conditioning program started by the coaching trio of Tom Saunders (Head Coach), John Bell (Defensive coordinator), and David Mergegay (Offensive Coordinator).

With the addition of a rigorous workout program and expert coaching, the team promises much potential for the oncoming season.

And added bonus to the team is the excellent quality of both new and experience team members. There are five returning seniors on the team: Dave Chanley ('79 M.I.P.), Mac Creek (Captain '79), Matt Colliton, David Dillard, and Mans McLeod.

These five men offer their knowledge, guidance, and time to aid the upcoming players. They are the backbone of the team that provides a solid and

strong foundation for the development of the rest of the team.

In the area of offense, transfer student Brian Savage (sophomore) shows much ability on the position of Attack. Midfielder David Frank (Sophomore), last year's M.V.P. and 1979 leading scorer in the Conference, shows signs of continuing his outstanding playing this season.

Defensively, outstanding senior Colliton will aid the team with his experience. Also, for the first time ever, the team has very fine Goalies in Chanley and freshman recruit Ron Crisp.

With high expectations for the season, the Lacrosse team is preparing for their first game scheduled for February 29 against William and Mary (1979 Conference Champions). Other challenging colleges the team will be pitted against are Roanoke College and Duke University.

Editor's Note: We at Guilford want to welcome back Mark Keavney and wish him good luck in the upcoming season!

UNION CORNER

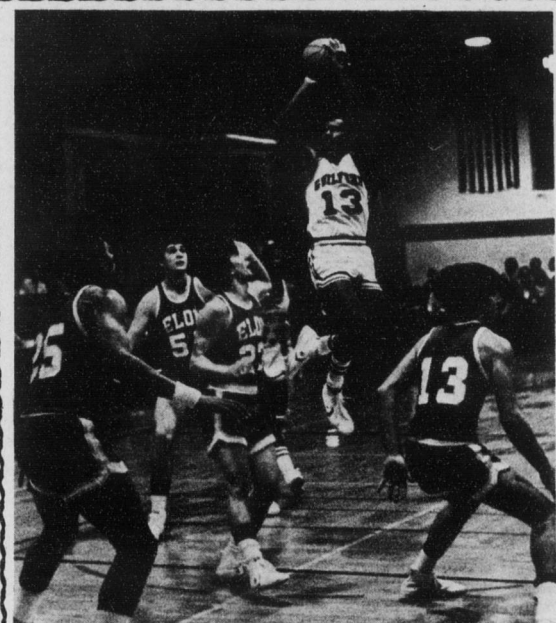

The Student Activities' Office is interested in starting a student volunteer service organization. Currently, they are polling student interest through a questionnaire sent out. The organization would involve willing students lending a helping hand to various agencies, schools, and organizations in the Guilford/Greensboro community. Possibilities include such things as schools, nursing homes, hospitals, crisis intervention, or the YMCA.

This type of service can be very rewarding to the student, it offers great experience (which looks good on job resumes), it gives a chance to get off-campus, and it also gives the opportunity to help others.

The questionnaires have been mailed and should be returned to the information desk in Founders Hall by Wed., Feb. 6. If you need a questionnaire, they may also be picked up at the information desk.

There will be a **Bowling Party** Friday, Feb. 1st at Brunswick Friendly Lanes (off Friendly Ave. next to Friendly Shopping Center). It is from 12 midnight -- 3 a.m. Cost -- shoe rental. Bring I.D. Sponsored by Recreation comm. Any questions, contact Doris Bean, 292-6147.
