Sports wrap-up

Baseball turns it around

The baseball team won four straight last week, and that's no foolin'. Three of those wins were against Salem College by the scores of 11-3 on Thursday; 4-1 on Friday; and 8-4 on Saturday in a seven inning game. On Sunday, Stuart Maynard's team evened its conference record at 1-1 and upped its overall record to 6-11, with a 6-2 win at High Point. Against the Panthers, the Quakers used four runs in the top of the ninth to break a 2-2 deadlock.

Thomas Linne, Ters-Anders Lindeberg, Johan Sturen, Lars Kallmarker, and Anders Hivander. Although Harvard has two teams, three of its top six players played against Guilford.

added 3 assists, but it was the Quaker defense which stole the show in the 15-6 win at Lynchburg. In that game, sophomore goalie Ron Crisp turned away 21 shots and defender Bob Katz was given the game ball for his outstanding effort. In the 16-5 win over Radford, it was Tom Bogan (5 goals, 3 assists) and Brian Savage (3 goals, 3 assists) who provided the offensive punch.

The team travels to Hampden-Sydney on Wednesday for a 3 o'clock game. The Quakers surprised H-S 11-6 last year and should be in for their toughest contest since the season opener against William and Mary.

The women's tennis team lost its Carolinas Conference showdown with High Point 5-4, and will have to wait until post-season play to get another shot at the Panthers, who should win the regular season conference crown. Earlier in the week, the women easily handled East Carolina, 8-1, and shut-out Pembroke 9-0 on Friday.

After a 7-2 loss to conference rival Atlantic Christian on Tuesday, the mens tennis squad bounced back to defeat Harvard, yes, that's right, Harvard, 5-4, East Carolina 9-0, and Appalachian 5-4, before being beaten 8-1 by N.C. State on Sunday. Atlantic Christian features five Swedish players --

Lacrosse upped its Tri-State League record to 3-0 and its overall record to 5-1 with wins over Lynchburg and Radford. Don Thorpe scored 6 goals and

And finally, Steve Davis' softball squad lost a pair of doubleheaders last week, 7-6 and 3-1 to Pembroke, and 7-1 and 2-0 to Pfeffer.

If pigs had wings (a modern nursery rhyme)

David Jewett

		
If pigs had wings Think of the babies it could bring	If pigs had wings instead of legs Den Dey Could Sit And Hatch Dem Eggs	If we could imagine pig with wings We could imagine pig as King
		
To be a pig may seem the pits But to get his kicks he needs no boog-hits	If you must use a knife or fork Don't use them on the hapless porker	So have pity on the wretched thing He cannot help the fleas he's carrying

Guilford's LEEP renewed

GREENSBORO -- The U.S. Department of Education has notified Guilford College that it will receive \$100,000 in Law Enforcement Education Program (LEEP) funds to continue its outstanding work in the administration of justice education in 1981-82.

Since the LEEP program started at Guilford in 1969, more than 400 persons have obtained baccalaureate degrees

in the administration of justice, according to Ann Johnson, LEEP coordinator, who added that Guilford's program is the second largest in the Southeast.

She explained that the \$100,000 is not "new" money, but rather money coming from "reversionary" funds which have reverted back to the LEEP program from institutions which did not use all of their awards in past years.

Guilford, for instance, returned \$68,000 of the \$170,000 it received this year, she said. There has been no "new" money in the LEEP program since 1979.

Johnson said only persons enrolled in the LEEP program during the current academic year are eligible for LEEP benefits next year. She may be reached at Guilford College, 292-5511, for information.

Robbin Thompson Band

will appear Friday at 8:00 p.m. in Dana Auditorium.

FEATURE SUGGESTIONS THIS WEEK:

Myths To Live By by Joseph Campbell, who writes in a chapter entitled "The Importance of Rites," "the crude notion that energy and strength can be represented or rendered by abandoning and breaking structures is refuted by all that we know about the evolution and history of life." (p. 44)

The Great Hunger by Cecil Woodham-Smith, called by D.W. Brogan "a moving and terrible book. It combines great literary power with great learning. It explains much in modern Ireland -- and in modern America." It is an account of the Irish famine of the 1840's.
