Tales from the fields

By Carlos Mijares

The intensity present at football practices every day here at Guilford, is already a sign of success. Our 1986 football squad was chosen to win against the Mars Hill Lions by the local sport writers. The junior quarterback Jeff Schreiber started the encounter but suffered an eye injury shortly after the beginning of the game. Donnie Redman took over the quarterback position and played until Schreiber's comeback in the second half. A series of penalties hurt the Quaker attack and at times putting the Mars Hill Lions in scoring positions. The score for their first game was 30-3. The whole team knew that this was not to

be the expected outcome of their efforts.

Last Saturday's victory over Lenoir Rhyne demonstrated the capability of this year's squad. Jeff Schreiber threw for 166 yards and wide receiver Mark Ellis caught 5 passes to set up two of the touchdowns. In general, the whole defensive unit performed admirably with linebacker Tood Schuping leading the unit in solo tackles. Cedric Ellison's one yard plunge gave Guilford a 17-7 advantage. Following a key interception by Cliff Tatum, Johnny Hines sprinted 30 yards off tackle to put a lock on the game for the Quakers. The next encounter is at Elon College, for a clash yearly awaited by both teams.

Soccer Update

By Carlos Mijares

Guilford's 1986 soccer team is looking forward to a very interesting season. Most of the starters are either freshmen or

sophomores. The talent and potential on this team is quite obvious. With this young team and the leadership of upper-classmen players such as Phil Polo, Brian Braswell, Mike

Jeglinski, Scott McGrath, and Nate Swan there is no doubt that this soccer team will perform up to the level of its expectations.

So far the Quakers have played Division III national champions UNCG, a 6-0 setback, but recovered in their home opener against Lenoir-

Rhyne. Sophomore Chris Jenkins scored what was to be the only goal in a 1-0 Guilford victory.

Brian Braswell anticipates a potential header.

Rugby Outlook

By Boo McKee

This year Guilford rugby should be very promising. The Ruggers have had the best turnout ever; about forty-five of the roughest, partying guys in the school will participate. The Ruggers start the season rank-

ed in the National Collegiate pools, which shows that this should be one of the best rugby teams Guilford has ever had.

For the first time, the Ruggers will have a field on campus to play on. Right now the only obstacle in the way of

gaining that field is the question of player insurance.

Rugby players and their lovely "Rugger Huggers" will be selling rugby tee-shirts and bumper stickers around campus. Shirts are \$8 and bumper stickers are \$1.
