

1991 Auction Raises \$14,000 for Loan Fund

On March 23 the Frank Fellows raised \$14,000 for the Student Loan Fund at the downtown Sheraton Hotel. Greensboro leaders and Guilford students, administration, staff and alumni pulled out their wallet to bid on the 90 items which the Frank Fellows had collected over the past few months.

The Frank Fellows held the auction in honor of Dorothy and Stanley Frank, the founders of the mentor program. Eight Guilford students spend seven months planning the formal event.

The Sheraton Greensboro Hotel and WFMY-TV were the official sponsors of the auction, and WFMY's Lee Kinard emceed the auction. Items sold include a gourmet dinner with President and Mrs.

Rogers and a ride in their vintage Rolls Royce; a flying lesson; Oprah Winfrey tickets; a Confederate \$20 bill; and a signed NC State basketball.

During intermission, Guilford Allegro and Quarterstaff entertained the audience during an intermission. Student artists helped with displays while other manned the casino games and booths. Several students donated services, such as baby-sitting and sailing lessons.

In addition to giving items to the Frank Fellows, administration and staff walked away with new purchases as well. Nancy Cable-Wells bought Kathy Adams' old bike; Meg Kaplan now owns Bill Rogers' pen and ink sketches; Phil Roach will enjoy Domino's pizza for a year and the Adelbergers are well-stocked with toilet paper.
