Haynes named all-district for second straight year

BY DAN GATTI
Sports Editor

Laura Haynes can add one more accolade to the enormous stack of praise and awards which she has received in her years at Guilford.

For the second time in her four years at Guilford, Haynes was selected to the Kodak/Women's Basketball Coaches Association All-District 5 team. The 40 all-

Haynes ends her career as the best player in Guilford history.

district players are chosen from around the country, and all are now eligible to be on the 10-member Kodak All-America team to be announced March 21. She also placed on the team in 1997.

Haynes is clearly one of the best players the ODAC has ever seen. She has set career ODAC highs in scoring with 2,283 points, and is also tops in ca-

reer rebounds with 1,021. She captured the ODAC Player of the Year award this year, and is the only player in ODAC history to make first team all-conference recognition in all four seasons.

She is also one of ten finalists for the Jostens Trophy, given each year to the nation's Division III Player of the Year.

Haynes ended the season third among all Division

III scoring leaders with a career-high 26.1 per game average, and in the top 25 in the nation in rebounds and field-goal percentage.

Haynes' outstanding season came to a disappointing end, however, when the Quakers lost in the ODAC semifinals to Bidgewater, snapping a 14-game winning streak.
