### ATTENTION

The Southern Association of College and Schools Commission on Colleges requires each school included in the accrediting body to submit a Quality Enhancement Plan (QEP) when applying for reaffirmation of accreditation.

Guilford's QEP is devoted to utilizing talent, energy and resources to improve student learning and promote our vision of what we would like our students to know and do in the future

Have an idea for a possible QEP topic?

The QEP Committee would like to hear them

Submit your topic here:
