Grab a friend and play Tic-Tac-Toe or Dots and Boxes!

To play Dots and Boxes, players take turns adding vertical or horizontal lines between adjacent dots. Whichever player completes the box gets to mark the box with an initial and takes another turn. The game ends when all the lines have been drawn. Whoever has the most boxes wins.

Corrections

In the article, "Track & field breaks records," Sophomore Molly Anne Marcotte was listed as a sprinter and middle distance runner. She is actually a distance runner. The article also said that the men's relay team beat the previous 4x400 record by two minutes. This should have said two seconds.
