Several people have been wondering why Buren Cranford was speeding down E. Green St. the other day - Well, it seems he had bought some motor oil up town and found he left his money at the plant. Wouldn't you hurry too?

mother, Mrs. Robert Cox; also, the death of an uncle, Dewey Cox.

The third shift welcomes Billy Fowler and we all hope he will like it with us.

We are sorry to learn that Muriel Beck is sick and we hope she will soon be back with us.

We are glad to welcome Edgar Whitaker back to work after quite an extended illness.

Wonder why no one has been seeing much of "Bob" Melton? Seems his cheeks were all puffed out. Never too old for the mumps, huh, "Bob"?

We were glad to have Mary Fowler with us for a short while on the second shift. Mary has gone to Lexington to be instructor in the new Throwing plant. Luck to you, Mary, in both your new job and home.

We were all sorry to learn of the death of Myrtle Neese's sister-in-law, Mrs. George Mangestern.

George Rudd's wife is in a serious condition in the Boulevard Unit of the High Point Memorial Hospital. We sincerely hope she will soon recover and return to her home.

Louise Miller is wearing a happy smile from car to car these days - Why? Because she has a new grandson.

Our deepest sympathy is extended

to Kinnie Moore in the death of his brother, Ruppert.

We will all miss Margie Everhart who has left us. Best of luck, Margie. Ava Brown's boy friend must be quite a guy. He is always sending her something from Germany, lovely bracelets, ear rings, etc. Now we notice she is wearing a diamond - Wonder what he will send her next?

WEAVE ROOM

We are glad to have Gladys Hill working with us and hope she enjoys working with us.

Anyone needing a jury man, just see Luther Vuncannon. Seems he has had a bit of experience lately.

Jack Harris was on the sick list but we are glad he has recovered and is now working.

Carl Tuttle and his wife went to Florida recently to attend the funeral of Mrs. Tuttle's brother.

At first glance, one might think we had some new employees in our department, but a second look and we recognize them as former workers with us. We are very happy to welcome these back - Helen Holland, Maxine Honeycutt, Blanche Kennedy, and Myrtle Hunt.

We are glad to take C. W. Cagle and Carl Kever off our sick list and best wishes to Harrison Luck for a speedy recovery.

Gertrude Wagoner and Edd Durham are both doing nicely following a tonsil operation. Also, Olean, Gilbert Moser's wife is in the same boat.

Paul, son of Virginia Hiatt suffered a broken arm, bad cuts and bruises when struck by a car as he dashed into the street after a basketball. He is recovering satisfactorily.

Evelyn Durham recently spent a week in Baltimore, Md.

Heard a bear story lately? See Ernie Spell about the one who made his bed in Ernie's hay stack during the recent bitter weather. Sure enough he saw the tracks in the snow. Wonder who made them faster, Ernie or the bear?

James Windham has been spending several week-ends in Stokes County.

Clarence Hobson has been on the sick list. Hope he is much better.

Vernon Webb is just about well now and we know he is happy.

Glad to see Hope Parrish back at work after a recent illness.

PREPARATORY DEPARTMENT

Glad to see Eva Millikan back at work after a three month's illness. Hope you are feeling much better, Eva.

If anyone has a piece of steak they can spare, Bill York is in need of it for that beautiful "shiner" he has. He says he got it playing tag, but then you know there's always the door-knob to run into.

We see Alvas Smoot driving a Ford around now. Guess his Buick needed a rest.

Remember Walt Dickey and Johnny Bivens are our two beauty contestants. How about some returns on that contest. We want to know the outcome. Walt is sick at the present time but we know he will be back soon.

We welcome Edith Maywood, Kathleen Suggs, Thelma Needham and Floyd Vickers to the second shift Copping. Hope you will enjoy working with us.

Helen DeGraff has been on the sick list. Hope she is much better.

We welcome Bobby Vaughn to the third shift.

Hillcrest Weddings

White-Church

Virginia Irene White, Hillcrest re-drawer, became the bride of Wyatt C. Church, Jr., on Saturday night, March 22nd at the Archdale Friends Church. The marriage vows were read by Rev. Clifton C. Pearson using the double ring ceremony in the presence of Mr. and Mrs. Joe Church, brother and sister-in-law of the groom.

The bride, an attractive brunette, wore a spring cut-away suit of white, pink blouse, flowered hat, and black accessories. At her shoulder she pinned a corsage of pink roses.

Irene is the daughter of Mr. and Mrs. C. C. White of Dobson, N. C. She has been an employee of Hillcrest since 1939, although she served from 1943 to 1946 as a member of the Women's Army Corps. Mr. Church, son of Mr. and Mrs. W. W. Church of Archdale, is employed by William-Clark Realty Co. The couple will live at 510 Steele Street.

Our congratulations and best wishes to Mr. and Mrs. Church.

Thompson-Thompson

Estella Thompson, first shift employee at Hillcrest, was married to Benjamin T. Thompson at the York Methodist Church in York, S. C., on February 21, 1947, at 7 p. m.

After a wedding trip to Silver Springs, Deland, and Daytona Beach, Florida, the newlyweds returned to High Point where they are making their home at 803 North Main Street.

It takes the average car traveling at 20 miles an hour 191 feet to stop on a road covered with glaze ice, says the National Safety Council. Chains on the rear wheels reduce this stopping distance to 110 feet, and chains on all four wheels allow the car to stop in 85 feet.

Newly-Weds . . .

ANNOUNCEMENT IS MADE of the marriage of Miss Kathleen East to Billie Lofin, Saturday afternoon, March 8th at the home of Mr. and Mrs. Cockman, 432 Tate Street, High Point, N. C. Vows were heard by Rev. W. B. Willard. The above picture shows the happy couple cutting the wedding cake following the ceremony.

Both Kathleen and Billie are employed at High Point Weaving on the third shift in the 5-B Department. Kathleen came to work in September, 1945 as a spinner and Billie has been working here since May, 1946. Our heartiest congratulations to the newlyweds.

A TALE ABOUT OLE MAN WINTER

Snow - Snow - Snow. All winter at the slightest cloudy sky, Beulah Kidd, Hillcrest employee, has been heard to remark, "I wish it would snow." Snow and winter came even to the sunny South, but still Beulah had that unsatisfied longing to see feet - not inches - of snow. So the last of February, a time when Ole Man Winter was having a feast-day, Beulah headed on a trip to the snowy North - New York State.

When she arrived in New York City she found little snow to her dismay, but who had time for snow? Crossing in a taxi from Pennsylvania Station to Grand Central Station, her snow-mind was too occupied by the hustle and bustle of traffic, taxis and people literally shooting around. The big question was "who was going to get hit." Well, she made it across town, but only after her cab gave another not too serious bang.

Now, back to the snow, as the train headed West from New York City, Beulah's eyes got bigger for there were miles on miles of frozen Hudson River and snow. When she reached her destination of Rome, New York, she found her desire for it snowed for four days straight.

There were snow plows to clear the streets and sidewalks, and children bundled from head to toe playing in snow as if it were sand. Beulah said it was really a thrill and a beautiful sight. It might amaze her to know that the people of Rome, New York dream all winter of the Sunny South - no remarks, please. One would think that for a Southerner, four days of snow would be sufficient, but a cloudy day appeared recently and Beulah still said, "I wish it would snow."
