EXCHANGES

The Trinity Chronicle: Plans for student government at Trinity are being formulated. No radical action has taken place, but the committee has begun work and the faculty has given hearty approval to the suggested plans.

Tar Heel: Congratulations on your successful basketball season, Carolina! You certainly rounded up things in the championship game against Trinity.

Davidsonian: From all reports Junior Speaking must have been a wonderful success; we are wondering just how you feel since the departure of the fair damsels from your midst.

The Comenian: We are delighted to note among our last exchanges "The Comenian" from the Moravian College at Bethlehem, Pa. Your magazine is splendid and brings to us a glimpse of your school life that we enjoy. How 'bout coming south with that famous Glee Club?

JUNIOR-SENIOR PROM.

May 7 is the time! How can we wait for the above day to arrive, when men, yes, perfectly good men, will be in our midst? Enthusiasm is running high for the Junior-Senior prom and it is hoped that it will be a bigger success this year than ever before.

DAVIDSONIAN AWARDS GOLDEN QUILS TO REPORTERS

The Davidsonian has given to seven of its faithful and efficient reporters golden quills as marks of appreciation for their work for the college weekly. Each year during Junior Speaking awards are made to the members of the Reporters' Club who have written the largest amount and the best class of matter for the paper, who have done the most for the general interests of the paper.

The Davidsonian works its staff members up in a regular succession. New men who do the best in reporting are chosen for the Reporters' Club and the best men of the Reporters' Club are chosen for the staff. This keeps a steady stream of men working up to positions of responsibility with "the best college weekly in the South."

NORTH CAROLINA COLLEGIATE PRESS NEWS SERVICE (Queens College)

Dr. W. H. Fraser has accepted the presidency of Queen's and will arrive in June to take up his duties. Dr. Fraser is now president of Belhaven College, Mississippi and is a well-known educator in the South.

The ministers and elders of the Presbyterian Churches of Charlotte and vicinity entertained the college faculty Thursday evening, in the parlors of the First Presbyterian church.

Queens was represented by three students at the Student Volunteer Conference held at Trinity College the week-end of the twenty-fifth.

(Trinity Chronicle)

At a meeting of the Athletic Council held on last Tuesday night the tentative schedule of intercollegiate track meets was passed on and was made ready for publication. The schedule for this spring's track season calls for three meets here and three abroad, one of those abroad being the State meet. The schedule embraces three ancient rivals of Trinity's on the track, Carolina, State College, and Wake Forest. Each of these is to be met on the local field, Carolina on the 8 or 11 of April, State on the 14 of April, and Wake Forest on the 22 (pending). The State meet will be held at Carolina as is customarily the case on May 7.

The track squad will make one trip during the season for two meets. That the team will be sure to make this trip is definitely assured by the graduate manager. Two trips have been looked into, one to the South and one into Virginia. Which one will be the ultimate selection depends largely on how the dates can be arranged. In either case two meets will be arranged for the trip.

Track prospects for this season seem bright. Coach Egan is an experienced track man, being an unusually good jumper, clearing the bar at six feet two inches. He is a member of the New York Irish A. C. and from his connection with this organization has had much practical experience. An assistant coach to assist Mr. Egan will be chosen during the coming week and announcement made of the choice in next week's Chronicle.

ELON CLOSES SUCCESSFUL BASKETBALL SEASON

The game with Wofford on the home floor Monday evening will bring Elon's basketball season to a close. It is not probable that any extra games will be played to break existing ties with Davidson, Wake Forest, or N. C. State, owing to the early opening of the baseball season.

On the whole the season has been very successful. A total of nineteen games were played, including all the college teams in the state except Trinity, three strong Virginia Colleges, and five "Y" and Association games. Of these nineteen games eleven have been won while eight resulted in victories for the opposing teams. Not a single game was lost on the home floor.

The record of games with the state colleges only is especially gratifying. Out of eleven games seven were won and four were lost. Guilford and Lenoir were defeated twice each. Davidson, N. S. State, and Wake Forest were each defeated on the local floor but succeeded in turning the tables on their own courts. Carolina also defeated the Maroon and Gold quint. Elon's percentage in state college games only is 636, which places her in a high position on the list.

E. L. Hollady and S. C. Hodgin, the affirmative team, won by a two to one decision at Guilford, while J. C. Newlin and A. I. Newlin won by a unanimous vote at Hampden-Sydney.

Chapel Hill, March 4.—Recent developments justify the belief that the summer session, beginning June 21st of this year, will be a very successful one. According to an announcement from the secretary all the rooms in Vance, Pettrigrew and Battle and many others besides have already been taken. Mr. Walker, the director, is at Harvard on leave but will return in time to assume his former duties. Every member of the school of education will remain "on the Hill" for the summer, preferring to teach here rather than elsewhere.

The Co-ed basket-ball team at the University lost two games on their initial trip last week, playing against Lenoir and Charlotte Y. W. C. A. and losing by a goodly margin in both contests.

Dr. C. S. Mangum and Prof. A. H. Patterson of the faculty committee on athletics recently attended the southern college athletic conference held in Atlanta. The conference, an outgrowth of similar state conferences, will be modeled after the mid-western conference and will be founded upon the principles of the one-year rule for first year men, prohibition of money for summer baseball and the settlement of special cases by the institution concerned.

Carolina's baseball schedule for 1921 as recently given out by Manager Ruffin includes an extended northern trip and a three-day stay in Gotham. The big trip will embrace contests with Georgetown, V. M. I., Maryland, Fordham, N. Y. U., C. C. of N. Y. and Swarthmore. The season opens with New York University playing here on March 23. Other schools to be en-

countered are the ancient rival Virginia, and a number of state schools, Wake Forest, Trinity, State, Davidson and Guilford. Plans are being made also for a game with Buffalo, which club trains at Durham.

At a recent mass meeting of the young men, the annual fee of the Athletic Association was raised from five to ten dollars. Only five men voted against the change.

A delegation from Erskine College, Due West, S. C., including the president of the college, visited Guilford last week to inspect the college dormitories.

DAVIDSON JUNIOR SPEAKING GREAT SUCCESS

Fair weather, fair maidens, well-delivered speeches, musical and dramatic exhibitions, basketball, interesting (to say the least) strolls, and general good fellowship, made the 1921 Junior Speaking the best ever.

The sixteen Juniors chosen from the literary society preliminaries ten days ago, looked mighty fine in their full dress, and their presentations of the varied subjects were equally pleasing.

Another victory was added in basketball when the Winston Y was defeated Friday night. The Glee Club concert Saturday afternoon was a real revelation and a real pleasure. The two one-act plays Saturday evening left little to be desired in the dramatic line. The Junior reception Saturday night furnished a jolly good time ofr all.

The new Junior Speaking set a fine pace for future occasions of this kind, and marked an advance in the social life on Wildcat Hill.
