Even the hated freckles and sunburn were forgotten by the enthusiastic fans who climbed over the hill to root for their Freshman-Junior or Sophomore-Senior teams in their final tussle.

The Freshman-Junior pitcher, Gertrude Coble, by knocking a home-run in the first half of the first inning, set the pace for her team which resulted in a score of 27-6.

Elizabeth Alcocke as a runner and a baseman, and Eloise Bridger as a shortstop, featured in that 27. But the Babe Ruth of the day was Nina Sue Gill.

On the Sophomore-Senior team particularly splendid work was done by the pitcher, Mabel Chinnis, who was ably backed by her catcher, Bernice Foote, until the beginning of the fourth inning, when she was slightly injured by the ball which glanced and hit her eye.

If this is Salem's premiere in baseball, what can't we anticipate for next year? We are proud of our players—collectively and individually.

The Varsity team has been selected and is as follows:

Pitcher, Chinnis; catcher, Gill; 1st base, Griffin; 2nd base, Zackary; 3rd base, Alcocke; left field, Harris; right field, Moore; center field, Smith; short stop, Bridger. Subs, Coble, Parrish, Foote.

RECITAL OF MISS REICH ENJOYED

One of the most enjoyable concerts heard in Memorial Hall this spring was the graduating piano recital of Miss Gladys Reich, given on Monday evening, May 2nd. She was assisted by her sister, Miss Nell Reich, soprano, Miss Charlotte Mathewson, accompanist, Miss Susan Webb, violinist and Dean Shirley, organist.

The platform was decorated with many beautiful flowers and ferns, which made an effective background for the dainty frocks worn by the soloists.

Miss Reich played with striking ease, exhibiting unusual technique and warmth of tone. The variety of her numbers was delightful and equally pleasing, from the dainty strains of the Mozart sonata to the brilliant Mendel-

ssohn concerto which closed the program.

Miss Nell Reich possesses a beautiful lyric soprano voice which she handled in a most artistic manner. The Indian melody, "By the Waters of Minnetonka", with violin obligato, played by Miss Webb, was especially effective.

Each number was enjoyed by the audience of Salem girls and town people.

ELECTIONS IN ATHLETIC ASSOCIATION

(Continued from page one) trophies to the varsity teams.

Miss Coble is very well fitted to take up this work as she has participated very frequently in various athletic events since entering Salem. She is noted for her skill as a tennis player, as a basket-ball star, as a swift runner and as a player of baseball and hockey. Her knowledge and prowess at all games makes her the girl to lead the Athletics Association to a foremost place in college activities.

BRILLIANT EVENT

Recital of Misses Mary Parrish and Frances Buckner Highly Successful.

One of the most enjoyed concerts of the spring season was the recital given jointly by Misses Mary Parrish, soprano, and Frances Buckner, pianist, in Memorial Hall on Friday evening, April 22. Miss Parrish made her appearance first and sang a group of songs in a charming manner. She was accompanied by Miss Ruth Duncan at the piano. Miss Parrish sang under the difficulty of severe throat trouble, but her diction was, as always, excellent. She has a beautiful soprano voice and is a promising musician. Her entire program was lovely, "Il Bacio" being perhaps the most enjoyed number. Miss Parrish studied under Miss Louise Woodberry and is now a pupil of Miss Lillian Beatey.

Memorial Hall audiences seldom hear more beautiful tone work than that of Miss Buckner. After her rendering of the Chopin Polanaise, the audience gave her a real ovation. She has been a pupil of Miss Ellen Yerrinton for five years, with and under her guidance and her own marked talent, she gave a most brilliant recital.
