Volume IV

Winston-Salem, N. C., September 12, 1923

Number 1

PRESIDENT OF Y. W. C. A. WELCOMES ALL NEW-COMERS TO SALEM

"Tall girls, short girls, fat girls, thin, Our Freshman Class takes them all in"

And that's about the finest thing which could be, Class of '27. A class made up of people who looked just exactly alike would be just about as bad as a class of girls who thought alike, talked alike, and acted alike, and you know yourselves that nothing could be worse. There wouldn't be any variety or any personality in a group like that, and without those two characteristics life is a rather monotonous thing, isn't it?

So, all you new girls, we are just mighty glad to say, "How do you do?" All summer long we old girls have been thinking of you and wondering what you would be like, and here you are at last. We are certainly happy that every one of you has chosen Salem as her Alma Mater, and we're sure you're going to love it here, as every true Salemite does. Honestly, isn't it just the friendliest, happiest place you know?

Just one more word: All your lives long you've been storing up ideas and building air castles and dreaming dreams, now haven't you? That isn't just some secret of your very own which I have stumbled upon; because, you see, I was a Freshman among Freshmen once myself, and I know that in spite of the old tradition about the Freshmen being so green they have new ideas, new means of expression, and endless ways of giving life to the activities of the campus. And that's just what we are looking for and what we need. We hope that you packed all your very choicest ideas and dreams along with your other treasures in your new wardrobe trunk when you came to Salem, and that you've already unpacked those ideas and have them ready for use. Your class, the Y. W. C. A., the Student Council, the Athletic Association, the Salemite—every organization on the campus needs you, and we're so glad that at last you're here to help us and work with us.

Give to your school the best that you have, and the best will come back to you! And, while you're giving, may your class have in return a happy four years at Salem.

NOTICE!

The Book Store will be open every day from 9:30 a.m. to 5:00 p.m.

Money for all C.O.D. packages must be left in the outer office before the package is due to arrive. Otherwise it will be returned and in the case of parcel post packages notice will be served the sender that it was not received.

(Signed) MRS. BEST.

I am THE newspaper.
I represent the student body of Salem College, and also those who are not so studious.
I greet you, Salem Students, old and new, and as far as I am concerned, you are very welcome.
I hope you will like Salem well enough to stay until you have acquired a cap and gown and a diploma with A.B., or B.S., or B.M., or MRS. inscribed thereon.
I am sure there are a number of things that will bewilder you who are new to Salem. If so, come to ME.
I am the official dispenser of news, and of instructions as to how to do the proper thing at the proper time in the proper way properly.
I will give you numerous announcements at weekly intervals; also a complete roster of all the new girls, which will help a lot in the way of introduction.
I will be in your P. O. Box every week if you are a regular subscriber.
I have an Open Forum column which will give you an opportunity to express your views on various and sundry things that have to do with college life, aeronautics, flapperism, hydraulics, cake-eaters, and what not.
I am the chief representative of Salem College.
I am THE newspaper.
I am THE SALEMITE.

ANNOUNCEMENT OF NEW MEMBERS OF THE SALEM COLLEGE FACULTY.

The following announcement has been made in regard to the new members of college faculty:

Charles J. Vardell, Jr., of North Carolina is a graduate of Princeton University, where he was organist Princeton Chapel; diploma graduate of the Institute of Musical Art N. Y.; medal for "highest honors" Artist's Course Institute of Musical Art; he taught music in the Hotchkiss School Connecticut, and was in Y. M. C. A. service at the close of the war. For the past few years he has been Dean of the Conservatory of Music, Flora McDonald College and President of the N. C. Music Teachers Association. He is well known as a composer and teacher. He becomes head of the Department of Piano.

John Wesley Taylor, of North Carolina, is a graduate of Trinity College, and a graduate student of Columbia University, having specialized in American literature. He was in Educational Service U. S. Government during the war and comes to us from Davenport College. He becomes Acting Head of the Department of English.

Roy J. Campbell of Massachusetts is a graduate of Bates College and of Harvard University, Massachusetts Institute of Technology, School of Public Health. He has been Instructor in Sanitary Chemistry, Bates College, Florida, and assistant in Physiology Tufts College. He becomes assistant in the Science Department and instructor in Biology.

Eleanor C. Chase is an A.B. graduate of Florida State College and University. Her residence is Ware, Mass., her father being rector of the Episcopal Church in that community. She majored in English and History with English Literature as her associated subject in her field of concentration at Radcliffe College. Miss Chase graduated with the highest honors which Radcliffe College bestows. Miss Chase becomes instructor in English and History.

Eleanor Osborne of Tampa, Florida, becomes assistant in the Home Economics Department. She is a B.S. graduate of Florida State College and secured her M.A. at Teachers College, Columbia University. Her major subject was Home Economics and her minor Foods and Cookery.

Edith V. Hanes of Jonesboro, Ga., secured her A.B. degree Salem College. She becomes assistant instructor in the Romance Language Department of her Alma Mater.

Dr. P. O. Schallert is an A.B. graduate of the Illinois Normal School, B.S. Marion College, M.A. University of Illinois, M. D. University of Illinois. He has throughout his college courses majored in Botany and has since done uninterrupted research work in his favorite subject. He is a member of the North Carolina Academy of Science, of the American Association for the Advancement of Science, of the Sullivant Moss Society, of the American Nature Society. His research work has been done in cryptogamic botany and he has contributed to

scientific publications various articles, including "Robina" and "Botanical Explorations in the Mountains of Western North Carolina."

The Faculty of the Music Department remains the same with the exception of Mr. Vardell, the head of the Piano Department.

PLANS BEING MADE FOR ANNUAL GET-TOGETHER MEETING SATURDAY NIGHT.

The annual Get-Together meeting of Salem College will be held Saturday night in the Alice Clewell Building. Plans are even now being made to make the occasion enjoyable for both old and new students.

Each Freshman will be more or less formally introduced. Their sister classmen, the Juniors, will present them to the old Salem girls in a way which will be amusing for all.

The Freshmen will not be alone, however, in undergoing the ordeal. All new members of the faculty will be present, and will be re-introduced to their students.

Originality in the classes will be called into play on this night. Classes will vie with each other in striving to present the best stunt, and to make things pleasant for the new girls.

Refreshments suitable to the occasion will be served.

IMPROVEMENT IN EDUCATION COURSE

An important announcement has been made by President Rondthaler, explaining briefly the co-operation planned between the City School System of the City of Winston-Salem and Salem College Department of Education, whereby under the direction of the Department of Education by the special sanction and advice and encouragement of the North Carolina State Department of Education, the Heads of Departments in the City School System become members of the Salem College Faculty, Department of Education.

By virtue of this arrangement the members of the faculty of the City School System become students in the Department of Education of Salem College, and are thus enabled, since Salem is an A-Class College, to achieve certain college courses in Education during their year's residence in Winston-Salem, which enables them to advance their teacher classification in the State of North Carolina and to receive those college credits which are ordinarily possible only by summer school work.

Under these same arrangements the City School System opens its classes to prospective teachers, who are now students at Salem College in the Department of Education, for advanced work in observation, self-advised teacher training, practical field work in class instruction, etc.

NOTICE!

All Music Diploma pupils report directly to Dean Shirley in his office in Memorial Hall. Every one studying in the music department will report to Dean Shirley Wednesday before 5:30.
