## LITTLE THOUGHTS FOR TODAY

FOR IODAY

Wisdom is man's true strength; and, under its guidance, he best accomplishes the ends of his being. Wisely handling the matter of life, good in the first end of the strength of th

### **PARAGRAPHICS**

Perhaps we can see what the Freshmen really look like now that they have shed their masquerade and can be natural.

(Continued from Page 1.)

deserves land, but a special plea is made for the use of programmed left of the continued from Page 1.)

A certain bishop prides hisaself on a work is a worthy edition to this energy person her meets, and by rest to solo, recaping these responsibilities one leaves off the waste of fime, by the possession of the high privilege of a programmed life. No task is beyond one if one's time is scheduled as to time and quaintance, "because I was chatting work in the privilege of moving your all have met the erisis by being the officer of the privilege of moving youth to glorious expectation and eager advancement.

\*\*Are you sure?" he asked.

\*\*A certain bishop prides hisaself on aword is a work less word is a work less word is a work less word in the mid test of the and sool, this moved is a work less word is a work less and type the programmed life. No task is beyond one if one's time is scheduled as to time and with respect to difficulty. In this your all have met the erisis by being the condition."

"But," said the woman, "I have you sure?" he asked.

"My dare," interrupted the much a word is a word of the programmed life."

"Are you sure?" he asked.

### Lost and Found

There will be at demonstration Soccer Game by the old girls either Friday afternoon of this week or Monday afternoon of next.

INFIRMARY CONSULTING HOURS

Announcements

Students are requested to visit only patient whom they ask to see.

A bell will be sounded at the close of visiting hours and visitors are asked to leave at once.

## MAMMY GOES TO SOPH COURT

"Lawsy merey, Miss, them people what the college womens calls Soph: moes done took my angel child and done tricks wif her." Diana was panting and mopping her shiry face as she looked helpleasly at her mistress. "This here paper am what I snatched away from a lady in a long black robe. I had to take a yellaheaded gal cross my knee fore I could git away; she was that set on prose'cuting my Pansy. I to her I done raised that chile of yours since she was no bigger a minute and that aint all I tole that sneerfifed jedge neither. Is this paper portant?"

Pansy wow.

Pansy mama took the sheet which the old darky thrust toward her and to start with.

"Reles for Sophomore Court"
"The following are rules by which the half baked, though necessary, the list half baked, though necessary, the list half baked, though necessary, which is, as a they probably dor't know, the 23rd of September."
"Wait a minute, m'an. Then rules "Wait a minute, m'an. Then rules guine to tell yub. The po'll it hings got down and sung praises when I come in to save 'em, about the time them black robed pussons strutted in. I didn't do nothing just then, but whin they made one chile batt like a pipe and 'nottler one wrestle with a female named Temptation which was much too big for her, I was powerful amsions to but in fit half when the sum of the rule with the rule wi

Electricity—The Servant in the Home"

It does the cooking, refrigerating, sweeping, washing, ironing and other tasks—and does them all more efficiently and with the expenditure of less effort on the part of the housewife than you can imagine. If your home is not thoroughly electrified you are missing much that makes life worth while.
