SALEM CAMPUS SQUARE

Melas

by Marion Gaither

Do ou suffer from compiphobia, hydrophobia, and someibaya? Does conjunctivitis, subjunctivitis, semi-colonities and pernicious athe-meia leave you feeling weak and nervous?

I, too, suffer from these maladies and many more. I felt tired and rundown from gymitis, encephalitis, headaches, neuralgia, and major muscle aches and pains. Then a friend whom I shall ever bless introduced me to MELAS, a sure cure-all for any affliction. Let me tell you about marvelous, magnificent MELAS.

MELAS is a compound of not one, but several medically-proven ingredients. Therefore, MELAS gives you more than surface relief; it gets down to the real trouble.

MELAS is not a drug. It contains no narcotics. I always regretted this fact.

MELAS makes you feel like your real self, gives you the urge to be up and doing.

MELAS comes in powder and tablet form. You get the same medically proven formula, the same kick, fast, speedy relief in both forms.

Try a bottle today. Remember, MELAS spelled backwards spells Salem.
