To the Editor:

We, the undersigned, would like to take the opportunity to commend Connie Caldwell on the excellent job she is doing as President of SGA. As freshmen, she is giving us the feeling of belonging and we are more than willing to place our trust in the SGA. We feel she is also restoring trust in SGA with the upperclassmen.

Connie conducts an informative meeting. She gets all business taken care of and doesn't prolong it more than necessary. She makes it her business to find what the student's needs, wants and expectations are. During meetings she is very businesslike and is not sloppy in her manner. We feel all the students of Salem should give her and the other officers their full support.

Scandinavian Seminar

Scandinavian Seminar is now accepting applications for its study abroad program in Denmark, Finland, Norway or Sweden for the academic year 1979-80. This living-and-learning experience is designed for college students, graduates and other adults who want to become part of another culture while acquiring a second language.

An initial 3-weeks language course, followed by a family stay whenever possible, will give the student opportunity to practice the language on a daily basis and to share in the life of the community. For the major part of the year he is separated from his fellow American students, living and studying among Scandinavians at a "People's

College" (residential school for continuing adult education) or some other specialized institution.

All Seminar students participate in the Introductory, Midyear and Final Sessions, where matters related to their studies, experiences and individual progress are reviewed and discussed. The focus of the Scandinavian Seminar program is an Independent Study Project in the student's own field of interest. An increasing number of American colleges and universities are giving full or partial credit for the Seminar year.

The fee, covering tuition, room, board, and all course-connected travels in Scandinavia, is \$4,600. Interest-free loans are granted on the basis of need, as are a few special scholarships.

For further information please write to: SCANDINAVIAN SEMINAR, 100 East 85th Street, New York, N.Y. 10028.
