## MEETING OF BAILEY P.T.A.

On Thursday night Jan. 11, 1934 the parents and teachers of Pailey held their regular meeting in the high school auditorium. Miss Ida Laura Boddie had charge of the program which every one enjoyed. The program was opened three songs; "Sleepy Hollow Tune, Home on the Range, and A perfect Day" sung by some of the members of the high school glee club accompanied by Miss Privette at the piano. The devotional was conducted by Rev. W.G. Farrar. The main feature of the program was a debate. The query was "Resolved: That Men Should Wash the Dinner Dishes." Mrs. Kermit Lewis and Mrs. Algrum Corbett were the on the affirmative side. Mr Robert Meacomes and Mr. J.J. Wolfe defended the negative side. The debate was won by the negative side. The most convincing proof was taken from "Hezekiah" 9th chapter and 13 verse. The quotation says; And the prophet sayeth to the kings' daughter, "Thou shall keep tidy thine household and make clean thine earthen vessels that thy husband may honor thee all thy life. After the debate the business session was held. The cake for the best attendance of parents at the P.T.A. was won by Miss Barefoot's room. The banner also went to Miss Barefoot's room.

## C.W.A. IN OUR SCHOOL

President Roosevelt's great plan "The C.W.A. is taking its part in our own school. The object of the plan is to provide work for unemployed. As a result two new officials are now employed in our school: One operates the lunch room; another has taken over the library. Our library has shown a great improvement since it has been in new hands. Books have been mended and placed in order until we scarcely know our own library. Two our lunch room has put forth some mighty tasty food rivaling those of Miss Orr, the Home Economic Teacher, who formerly had charge of the lunch room. So we see that the C.W.A. helps our school as well as those who are being employed

## NEW GYMNASIUM

Bailey is climbing up the ladder she has a new gymnasium. This building is being constructed through the help of the C.W.A. Much progress has been made so far and we are hoping that this good work will continue and that the building will be completed by the first of March. Every body is looking forward to the day when the completion will be made.
