DEBATING CLUB

The debating club of Bailey High School was organized November 22, 1933. The following officers were elected: President--Eleanor Finch, Vice President--Eloise Smith, Secretary and Treasurer--Eloise Thompson; Reporter--Wilhelmina Smith.

At each meeting certain members were selected to debate at the following club meeting. In this way, the members prepared themselves for the first debate.

Not only did we debate, but we had social events. The club had a wiciner roast in February which was enjoyed by all.

Next we debated in chapel to see who should be on the regular debating teams. Almost every member tried out. It was decided that Eloise Thompson and Roba Manning should be on the affirmative team. Eleanor Finch and Eloise Smith on the negative team. The query, which was debated throughout the state was, Resolved: "That the United States Should Adopt the Essentials Features of the British Plan of Broadcasting and Operation". Bailey team was in the triangle with Benson and Kenly. Kenly's negative team debated our affirmative team at Bailey and Bailey's negative team debated Benson's affirmative team at Benson. The debates were March 29, 1934. Our affirmative won over Kenly's negative and Benson won over our negative team.
