

BASKET BALL TOURNAMENT

MARCH 12, 13, 14, & 15

THE ECHO

BAILEY HIGH SCHOOL

FEBRUARY 28, 1945

P.T.A. Enjoys Mayo's Band

At the February meeting of the Bailey P.T.A. those members who were present inspite of the rain had a very enjoyable time after the business meeting listening to the music of Mr. J.C. Mayo's band. The players, twenty-one in number, who came from Nashville, Elm City, and Bailey schools, gave a program of martial and popular music. The teachers were so musical minded that they demanded several encores and a trombone selection from the leader.

Other features of the February program were: devotional by Mr. Leacombe, and a very interesting reading on Lincoln by Mr. Robert Jones, President of the Association.

As usual there was much excitement over the cake which through the support of Mr. Remond Pace went to the fifth grade. Mrs. Rob-Jones and Mrs. Solman Bissette con- to bring the cakes for the March meeting.

The Honor Roll and Attendance

The attendance for high school this month was very good. Every room in high school, having made over 94% attendance, received a half holiday. Because of the large number of tardies last month the teachers have made the requirements more strenuous this month. Please see that your boy and girl come every day and get here on time.

The honor roll for the past month was composed of Ethlie Farmer, Crema Lamm, Eloise Smith, and Richard Smith in the tenth grade; and Lewis Glover and Shellie Medlin in the eight grade. We hope to increase the honor roll this month. Waverly Gay

Athletics

The high school basket ball teams have played many games lately. The Nash County Tournament is going to be held at Bailey this year. Every team in the county has a chance to play one game in the tournament. Both Bailey girls and boys hope to win either first or second place. There will be four four games a night for three nights and two games the fourth night. The date is the twelfth, thirteenth, fourteenth, and fifteenth of March.

The agricultural teams from Nash and Edgecombe Counties met February ninth, for a tournament to see which school had the best agricultural team. Bailey was defeated in the first game by West Edgecombe by five points. There were several more games that day, and at the finals Saturday, February sixteenth, West Edgecombe won first place with Leggetts's taking the second place.
