THE FUTURE FARMERS OF AMERICA

The Future Farmers of America is the national organization of farm boys studying vocational agriculture in the public schools throughout the United States. The Future Farmers of America is a non profit corporation designed, to recognize and encourage the natural instincts and tendencies to organize into "gangs" or groups and put enthusiasm and pleasure into work and recreation. The local chapters serve as an outlet for these instincts and tendencies of the vocational students.

OFFICERS OF BAILEY CHAPTER

BAILEY CHAPTER HONORED

The Bailey Chapter is associated with the State Association and the National Organization and has been honored to have Tholbert Boykin, one of its members, chosen as President of the State Association. In a recent article in the Tar Heel Talks Tholbert said, "One of the best ways to achieve many worthwhile things is to start more than you can do and then do it!"

THE AIMS AND PURPOSES

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. The specific purposes for which this organization was formed are as follows:

1. To develop competent, aggressive, rural, and agricultural leadership.
2. To create and nurture a love of country life.
3. To strengthen the confidence of farm boys and young men in themselves and their work.
4. To create more interest in the intelligent choice of farming occupations.
5. To encourage members in the development of individual farming programs and establishment in farming.
6. To encourage members to improve the farm home and its surroundings.
7. To participate in worthy undertakings for the improvement of agriculture.
8. To develop character, train for useful citizenship, and foster patriotism.
9. To participate in cooperative effort.
10. To encourage and practice thrift.
11. To encourage improvement in scholarship.
12. To provide and encourage the development of organized rural recreational activities.
