

**BAILEY CHAPTER HOST TO FEDERATION BASKET BALL TOURNAMENT**

The Nash County Federation of F.F.A. Basket-ball tournament will be held in the Bailey Gym the week following the county basket-ball tournament. The seven schools of the county having Vocational Agriculture departments will be represented in this tournament by two teams, the A and B teams. Detail arrangements for the tournament will be announced later.

**BAILEY CHAPTER BROADCASTS**

The Bailey Chapter will give its second radio broadcast for this school year at 10:15, Monday morning, February 23, over WEED, Rocky Mount. The program on Monday is on "Farm Forestry", which is a continuation of the previous program given by the Bailey Chapter. The boys participating on the program Monday are James Brown, Henry Earl Glover, Clarence Newsome, E. C. Griffin, Jr., Louis Bissetto, and Horace High.

**STATE SEED JUDGING AND IDENTIFICATION CONTEST**

Charles Modlin, Thomas Finch, and Albert Lamm made up a team that represented the Bailey Chapter in the State Seed Judging and Identification Contest, which was held in Greensboro, N. C., Saturday February 1. As yet no official report on the ranking of the teams of the state have been received.

Albert Lamm acted as substitute for Braxton Honeycutt, who was a member of the first team.

**PURE BRED SWINE PROJECT**

The Bailey Chapter of F.F.A. is sponsoring a Pure Bred Swine Project. The Chapter purchased four pure bred swine, three Spotted Poland China and one Black Poland China. These gilts

were given to four members of the chapter who are taking care of them according to approved practices. In return from each gilt the chapter will receive two pigs at weaning time. These eight pigs will be given to other members on the same plan or sold. The aim of this project is to encourage the establishment of better livestock on the farms. The chapter has also assisted six adult farmers in the community in securing pure bred.

Thirteen members of the chapter have secured pure bred swine of the following breeds: six Spotted Poland China, one Black Poland China, one Hampshire, and five Durocs. The boys having pure bred swine are Thomas Finch, E. C. Griffin, Jr., Harold Cooper, Carson Wynne, Richard Stott, Marvin Brown, Charles Morgan, Clyde Finch, Jack Farmer, Russell Jernigan, Garland Pace, James Brown, and Harland Perry.

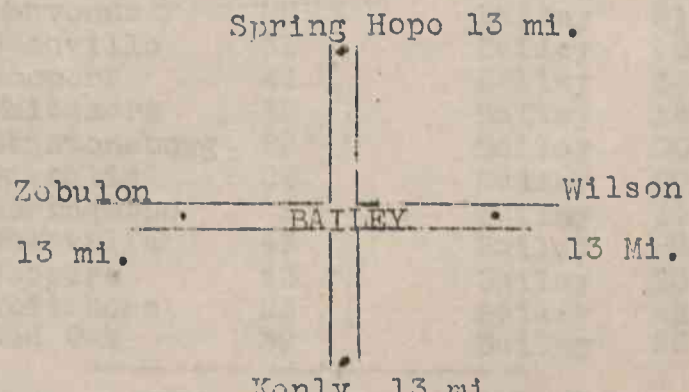

There are fourteen members who have swine projects that are not pure bred.

Anyone interested in securing pure bred swine can contact some member of the chapter or E.A. Howton, the chapter advisor.
