JOURNALISM CLASS WORKS DILIGENTLY

Publishing the "Bailey Bugle" is one of the most interesting and educational opportunities a high school student of Bailey can participate in this year.

Assigned pages are given each month to various members of the journalism class for which they are responsible. They change pages monthly so that each student will have the experience of every section of the paper.

4H MEMBERS MAKE PLANS

As spring draws near 4H members are thinking of plans that will enable them to attend Camp Millstone the first week in June.

It is the desire of everyone to go, but projects must be completed and record books handed in before any member can expect to go.

The Bailey 4H Club presidents have expressed their wish that the Bailey chapter be represented by a large number of boys and girls, and they urge that all start plans right by keeping projects up-to-date. Reports show that everyone is doing commendable work in both junior and senior clubs.

GLEE CLUBS RECEIVE NEW SONG BOOKS

Lately the Glee Clubs have received new song books, "The Hollis-Dann" Book IV, designed especially for the training of young voices. Songs being taught now are "Ave Maria," "Anchors Aweigh," "Camptown Races," "Home Port," "The Marine Hymn," "The World is Waiting for the Sunrise," and "Roses of Picardy."

BETA CLUB HOLDS REGULAR MEETING

Bailey High School's National Beta Club Chapter held its regular monthly home meeting in the home of Horace Meacomes, February 6, 1941. About twelve members attended and all contributed ideas relative to improving the social hours.

Since business meetings are held during school, home meetings are for social and educational benefits.

Games and singing filled the social hour. Prizes offered encouraged the members to give keener attention to the games. Two prizes were given Rachel Bissette and Norman Patterson.

Mrs. Meacomes, the host's mother, furnished a delicious serving of sandwiches and drinks.
