

THE NEW READING READINESS BOOKS

The first grade teachers and pupils are proud of their beautiful new books for reading readiness; Our Picture Book and Our Story Book.

Our Picture Book (13 inches x 20 inches in size) presents complete stories in pictures. It makes a definite contribution to the readiness program through the use of general concept and sequence pictures.

Our Story Book (16 inches x 20 inches in size) designed to be read concurrently with Our Picture Book duplicated many of the pictures in Our Picture Book and presents the authors' interpretation of the pictures.

Miss Batts

THIRD GRADE-----Miss Thompson

NEW PUPILS

We have three children from other schools--Jack O'Neal from Dixon School, Richard Riddenbury from Middlesex, and Ruby May Boyette from Mt. Pleasant.

We hope they will have a very happy year with us.

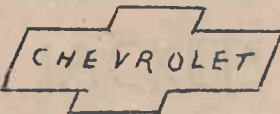

WHY

Miss Thompson was walking around the halls just smiling Friday, the first week of school. Forty children were present EVERY day.

What teacher wouldn't smile?
