SAVE THOROBRED COVERS

... in town last week,  
... life began to pick up.  
... all of us were anxious  
... to ride on the Merry-  
... Go-Round and  
... feel.  
... Maybe Hollis Haskins  
... and Marks Underwood  
... aren't ladies men, but  
... they really seemed to  
... have a way of getting  
... around with the dif-  
... ferent girls, Sue Less-  
... iter, Iris and Janice  
... High, and Christine  
... Pinch.

Oh! I beg your pardon,  
folks, I was about to  
leave out the most im-  
portant couple. Did  
you see Mr. Morgan and  
Miss Quinn laughingly  
riding on the Merry-  
Go-Round? And so  
all of you saw  
Lucky and Mr. ...  
on the Ferris Wheel.

The Freshmen Boys got  
around, to, for char-  
les D. and Iris and  
James Haskins and Sue  
were on the Ferris  
Wheel more than once  
together. Bashfully  
but happily, Carl Jr.
