

LIFE PICKED UP AS FAIR CAME TO TOWN

By Phyllis

As Mansfield's Rides came in town last week, life began to pick up. All of us were anxious to ride on the Merry-Go-Round and Ferris Wheel.

Maybe Hollis Haskins and Marks Underwood aren't ladies men, but they really seemed to have a way of getting around with the different girls, Sue Lassiter, Iris and Janice High, and Christine Finch.

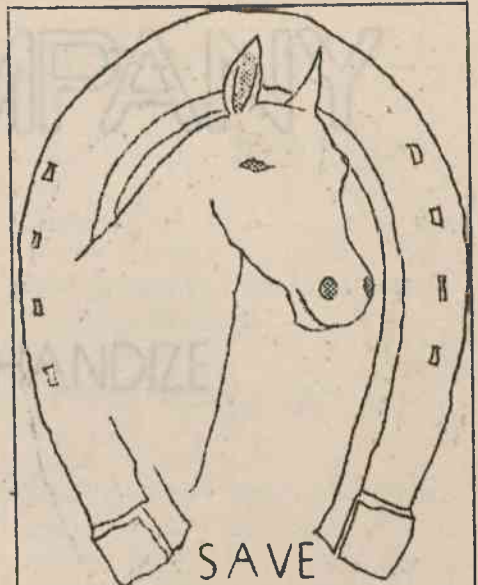

Oh! I beg your pardon, folks, I was about to leave out the most important couple. Did you see Mr. Morgan and Miss Quinn laughingly riding on the Merry-Go-Round? And no doubt all of you saw Miss Lucky and Mr. Morgan on the Ferris Wheel.

The freshmen boys got around, to, for Charles D. and Iris and James Haskins and Sue were on the Ferris Wheel more than once together. Eashfully but happily, Carl Jr.

and Melba Jean rode on the Ferris Wheel.

Pepsi Cola was the favorite drink among the young and old, and bubble gum was the predominating exercise for the jaws.

Did you see all those out-of-town dressed up people? I got a glimpse of them, but there were so many people that I couldn't see everyone I wanted to. Anyway all-in-all I'm sure everyone enjoyed our fair and will be looking forward to another next year.
