

JAN PERRY HONORED AT BIRTHDAY PARTY

Little Miss Jan Perry was honored with a birthday party in the first grade room Thursday afternoon. All the first grade pupils and a few other friends were present.

Holly and Christmas decorations were used in the school room. The refreshment table was covered with white crepe paper with green strips. All around the table were red and green candles with fancy cakes as candle holders. Little Miss Perry's place was marked by red tapers and a lovely birthday cake.

Attractive favors containing mints, nuts, and candy were at each child's place. Ice cream and cake were served.

The little hostess found many pretty birthday gifts under the Christmas tree and all enjoyed seeing her open the packages.

A box of blocks was presented to Master Dewey Brantley for pinning the star on the Christmas tree, blindfolded. Everyone had a very good time and wished little Jan many more happy birthdays.

CHILDREN BUILD SANTA'S CASTLE

Instead of having the conventional Christmas tree in our room, we have decided to build a castle for Santa Claus. The room has been divided into three groups. Group one will construct the castle. Group two will furnish the castle. Group three will decorate the lawn of the castle.

The castle is to be made from cardboard boxes, and the towers from oatmeal boxes. We are planning to plaster the outside with a mixture of flour, salt, and water.

The girls are to make rugs and curtains for the rooms and decorate the grounds.

All the children in our room will have some part in building the castle. Miss Quinn's Room
