

Late Field Goals Win For Coopers

Bailey, Jan. 6-L. Winstead dropped in two field goals, with less than two minutes to play, to give Cooper's boys a 20-18 victory over Bailey's quints in one of the best games played here this season. The regular game ended in a 14-14 dead lock. Officials allowed 5 extra minutes in which to break the tie. At the end of this extra period the score was tied at 16-16. Allowed three more minutes to break this off, the Cooper's quints rushed the Bai-

ley boys and scored 4 points while Bailey scored two.

Cooper's leading scorer was L. Winstead, who scored six field goals and 1 freethrow. L. Bissette scored 9 points for Bailey.

BAILEY GIRLS WIN

Cooper's girls were defeated by the Bailey team, 11-22. Eatmon scored 12 points for Bailey. Coopers' leaders were Baker and Langloy, scoring two field goals each.

R. Perry was defensive star for Bailey while J. Manning starred for Cooper's.

Due to recent tire rationing many people are reluctant to use their cars in carrying players to and from games. Unless many volunteer to make at least one trip, we will not be able to finish this season's schedule.

There are not but six more games away from Bailey and three cars are needed for each of these trips. I am sure there are enough people interested in the teams of this school to volunteer to go to one game away from home if not more.

Mr. Walker and Mr. Rogers cannot be expected to drive their cars all the time. Their tires will not last forever, so come on! all who will and take players to at least one game.

For your convenience I have prepared the following schedule of games away from home.
Jan. 9--Whitakers--there
Jan. 16--Castalia--there
Jan. 30--Benvenue--there
Feb. 3--Nashville--there
Feb. 13--Red Oak---there
Jan. 23--Middlesex--there

Please contact one of the coaches, a member of the ball teams or your sports editor if you can take players to a game. *M. Bisette*

CHRISTMAS HOLIDAYS FAIL TO SLOW UP LOCAL CAGERS

Bailey, Jan. 2--Coming back from their Christmas Holidays with the same old "zip" that they showed before, the Bailey High School basketball teams crushed the Nashville teams before a large audience at the Bailey gymnasium.

The girls' game was a thriller. Those fast-stepping six from Bailey were never off guard. Estella Eatmon tossed in 17 points to lead the team to a 31-15 victory. Abernathy scored 9 points for the losers.

The Bailey boys made up for their losses of

last year by rallying to a 24-13 win over the Nashville quintet. L. Bissette scored 11 points for Bailey and Ferrell scored 7 for Nashville.

H. Perry and J. Farmer were runner-ups in scoring for Bailey.

Table Tennis Ready Soon

A table tennis set purchased early last spring will soon be available for use by interested students. Plans are being made to play this game in

the gym. There is only one set now, but as soon as funds can be collected, there will be others.
