Miss Butler's Room

Goes Patriotic

The fifth and sixth grades have enjoyed our work during the past month learning interesting facts about our country. Our room looks very patriotic. We have studied "THE GREAT SEAL OF THE UNITED STATES OF AMERICA" and have drawn it free hand. Everyone has memorized the preamble to the constitution and taken part in making posters to illustrate it. We have studied the story of the making of our constitution and the different departments of our government.

We have learned why Francis Scott Key wrote "The Star-Spangled Banner", which has become our NATIONAL ANTHEM. The entire room has memorized the pledge to the flag, know how to salute it, and the rules for the proper use of it.

We have drawn free hand posters with the slogans "Keep Them Flying", "Keep Them Sailing", and "Keep Them Going". Miss Butler bought some

WHAT AM I? FOURTH GRADE

I am the second largest continent in the world. The biggest deserts in the world are in my continent. The Red Sea touches me. The Mediterranean Sea is north of me. The Atlantic and Indian Ocean wash my shores. WHAT IS MY NAME?

Jean Glover

I have a head like a man and a body like a lion. I was cut from large blocks of stone. I was used to keep evil spirits from the kings of Egypt. I stay nearly covered with sand. WHAT AM I?

patriotic posters and emblems which we arranged attractively on our bulletin board. All of us signed a chart that we were a HUNDRED PER CENT AMERICANS. Miss Butler gave each of us a seal entitled "I AM AN AMERICAN", of which we made booklets and posters. Ruth Farmer received a Defense Stamp for using her seal the most attractively.

One morning the room gave a patriotic program over the sound system, which was heard by the school.

Both the boys and girls in our room have enjoyed making red, white, and blue caps. Some of us who had never sewed before were surprised to find that we really could sew.

We went in a group to the Post Office one afternoon, and each of us bought a Defense Stamp. Our room is trying to be loyal to our country, and each of us has become more patriotic through this study.
