

PHYSICAL ED.
PERIOD STARTED

In answer to the request from state officials that physical education be stressed, Bailey High School has added a physical Ed. period between the fifth and sixth periods. Each high school class has a teacher who directs them in various forms of calisthenics and drills.

In a recent interview with Mr. Carl H. Walker he stated as his belief that there is a possibility that the period would be required next year and would rate credit just as any other subject.

Bailey Boys Dig Deep
In A.C.C. Basketball Tournament

Wednesday night, Feb. 25, a determined ball team left Bailey to play in the annual Atlantic Christian College basket ball tournament. The team supporters were few but the winning determination was great. Maury, a good team that had won 18 games and lost only 4, was the first victim of the Bailey boys. By beating this team 22-20 Bailey moved up a notch and defeated the boys from Stantonsburg High 24-21. Stantonsburg had won 19 games and lost only one to Maury.

On Thursday night one could hear a distant yell that was from Bailey.

On Friday night many "winning team supporters" came pouring through the gym door. Although the Bailey boys were very tired, they fought until the gun blasted to end the game with La Grange winning 33-22.

Bailey was very fortunate in having Louis Bissette selected as all tournament center on the second B Class team.

Although not victorious, the boys were proud of their record made.

GRADUATION TAKES ITS TOLL OF PLAYERS

Due to graduation the Bailey basketball teams will lose several of their outstanding players. Not returning on the girls' team are Estella Eatman and Marie Morgan, forwards; Christine Turnage and Rella Finch, guards. The boys' team regrets the loss of Chad Jernigan, Jack Farmer, and Delton Perry.

Throughout the season ESTELLA EATMAN led in the number of points scored for the Bailey team. She was the only member to receive recognition in the county tournament. There she was named as forward on the second county team.

As the season progressed REELA FINCH, CHRISTINE TURNAGE and MARIE MORGAN showed marked improvement.

Particularly was this true of Morgan, who in gaining confidence in her ability, developed into one of the best players.

On defense THAD JERNIGAN was an excellent, hard, energetic player but was not so good on offense. In this position JACK FARMER, one of the hardest and steadiest of the players, was outstanding. DELTON PERRY, although not one of the first five, showed, when called upon to substitute, fair ability and a spirit of goodwill.
