

## SCHOOL PRESENTS MOVIES EACH FRIDAY

To meet the local recreational needs heightened by lack of facilities, Bailey High School is offering weekly movies to the school and general public each Friday evening at 8:30 o'clock.

So far westerns, comedies, musical novelties, and one of Joe E. Brown's specials have been presented.

Mr. Walker, operator of the projector, states that better pictures cost more and for that reason the type of pictures shown will be based on the door receipts.

## THREE NEW TEACHERS JOIN FACULTY

Three new teachers, Mrs. H. A. Morse, Miss Melba Martin, and Mr. Leamon Tapp, have become members of the Bailey High School faculty this year. These teachers are replacing Mr. G. G. Morgan, Mr. H. E. Rogers, and Mr. E. A. Howton.

Mr. Tapp, agriculture director, originally from Kentucky, came to Bailey from the Whitakers High School. Miss Martin of Jamesville, N. C., teaches English and history. Mrs. Morse of Tarboro has charge of mathematics.

A statement from Miss Martin reveals that she is favorably impressed with the students and the school and is enjoying her work with both.

## Alumni Receive Army Ratings

### CAFETERIA ADDS SUPPLIES, EQUIPMENT

Many improvements have been made in the high school cafeteria since last year. Now equipment includes a new ice cream cabinet and a thirty gallon hot water tank. The refrigerator is to be remodeled for better use.

Miss Murray reports that due to the dry season the school garden tended by W.P.A. workers, has not been as successful as was hoped for last spring.

### CANNED SUPPLIES

During the summer the workers canned 5,200 quarts of vegetables. Of these canned foods 2,800 are to be used in the Bailey cafeteria through the winter to provide better lunches for the students. The remaining quarts are divided between Middlesex, Mt. Pleasant, and Spring Hope.

An increase in food prices has forced the cafeteria to raise the price of plate lunches from 5¢ to 10¢.
