GREEN BUS

Wait a minute,
Green Bus.
Slow down.
Stop!

I will climb
Your winding stair
And ride
On top.

Along the busy river,
Down the Avenue,
Any day I like to take
A trip with you.

DR. TIPPETT VISITS US

The fourth and sixth grades had a good time when Dr. James S. Tippet visited us. He writes stories and poems for boys and girls, and he recited a number of his poems for us. Some of them: "Green Bus", "Sh!" "A World to Know", and "My Dog". He told us he made one hundred dollars on "Green Bus". Today we received a letter from him with some of these poems. He promised to come back to see us, and he asked us to write some poems for him. "Green Bus" is the poem we liked best.
