

Children Work On Program

We began working on our P. T. A. Christmas program this week. Several children have recitations and we are learning new songs. Every child has a part in the program. We want every mother and father to bring their child and help them enjoy the program.

CLASS ENJOYS TWO THANKSGIVINGS DAYS

Did you know Thanksgiving Day came twice this year? Well it did for us.

We thank our grademothers and Mrs. Cozart for our Thanksgiving Party Wednesday and our parents for the Thanksgiving Dinner on Thursday.

Grade Mothers Visit Class

Our Grademothers came to see us Thursday afternoon. They brought us apples, oranges, and grapes. We all enjoyed it so much.

IMPROVEMENTS MADE IN OUR ROOM

Donald Barnes and Earl Manning brought two gourds. Mr. Tapp cut them so we could plant flowers in them. Miss Thompson bought us some paint and we painted the gourds and a few jars red.

We had two orange crates. Owen brought us another. We put the three together and painted them. Now we have a nice cabinet for our supplies.

Our table was too long. Mr. Walker cut it off for us and we painted it.

CLASS COLLECTS TIN CANS

Owen Strickland leads our class in collecting old tin cans for Uncle Sam. J. C. Bissette and F. D. Lamm are running him a close race.

GRADE MOTHERS SERVE SECOND GRADE

Our Grade Mothers served us Thursday morning. We walked to the drugstore and were served popsicles.

Grade Mother Returns From Hospital

The pupils in Miss Batts' room are happy to learn that Mrs. C. D. Phillips, their grade mother, was able to be moved from the hospital to her home Monday, Nov. 30.

WINKIE WAS FOUND

Lamar found a kitten in a ditch. The kitten was hungry and hurt, so Lamar brought him to school. Sammy found a box for him. Fanny Lou gave him some of her milk to drink.

After the class decided to keep the kitten, they named it Winkie.

Winkie will be cared for by Sammy and Max while we are away Christmas.
