

HERE AND NOW

SARAH WHITLEY has become library assistant to Mrs. Farmer and Miss Martin and gives one hour daily to the work.

DIVISION of 10th grade geometry class into thirty minutes periods now benefits students by enabling them to have smaller classes.

MISS HATTIE FERRELL has taken over management of the school cafeteria.

BAILEY BOYS home on furloughs this month include Ernest Francis, Garner Sanders.

BAILEY HIGH is the only school in the county that is continuing the publication of a school paper for the duration.

20% OF THE TOTAL amount collected for the pictures taken at school goes to the school.

MRS. ROGERS'S class collected more tin in the recent drive than any other room.

SCHOOL BUS ROUTES CHANGE

Scarcity of gasoline and tires necessitates the changing of school bus routes.

Orders issued from the federal government provide stops farther apart, and where routes formerly retraced, the milcage has been cut by children walking to meet the bus.

Chapel Programs Vary

Chapel intertainment for the month provides a play by the juniors, "Rosolind's Wedding", with Bobby Jones Corbett, Maude Lewis, Elton Glover, Romaine Perry, and Arah Pearl Horton playing the leading parts.

The sophomore boys present a minstrel. Sophomore girls will give "Sylvia's Aunt's" for the next coming attraction, followed by the freshmen play "The meaning of Democracy".
