

Alumni News

NEWS OF BAILEY ALUMNI IN WAR JOBS AND SCHOOL.

ZELDA MURRAY, now attending Cullowhee Teachers College, is president of the student body there. It is reported that so many honors have been won by her that it was necessary to give up some of them in order to meet the regulations established by the point system of the college.

MARKS UNDERWOOD has been chosen as a delegate from Davidson College to go to Duke University for the Youth Conference.

IRIS PEARSON, after being ill for sometime has returned to the Medical College of Virginia, Richmond, to complete her final year of studying before becoming a graduate nurse.

HELEN JORDAN is now working with the Wrights' Automatic Machinery Company in Durham. This Company was recently taken over by the Navy for the building of ship parts. Her work is so tedious that it must be correct to the degree of one-two hundredths of a thousandth of an inch.

CHRISTINE TURNAGE holds a position as messenger at the Marine base at Cherry Point, North Carolina.

W. S. HIGH, employed by the Martin Airplane Factory in Baltimore, Maryland, spent a week at home recently. He is expecting to be called into active service soon.
