

SENIORS ASSUME INITIATIVE IN VICTORY CORPS

Seniors Make Study Of Shakespeare

Members of the senior class in connection with the study of Macbeth, design a creative notebook dealing with Shakespeare's life and works.

The class is divided into groups which are assigned certain fields for study. Included for intensive study are reports on Shakespeare's life, his famous sayings, character sketches and actors playing the part of these characters, synopses of plays, tributes and memorials, the theatres of Shakespeare's day and his influence upon them.

Heading the various groups are Elsie Pearl Eatmon, Martin Liles, Hildred Ruffin, Henry Earl Glover, Martha Bunn, Josephine Pace, Sarah Morgan Farmer, and John Dew.

Driving Test Held

Prospective bus drivers for next year, who recently took a test and passed are Herman Anderson, Adolph Brantley, Braxton Deans, and Harold Glover.

The test given by a state official consisted of a written examination on control and operation of a school bus, and also a road test.

Other contestants, Forest and Romaine Perry are expecting to complete their requirements.

Juniors First To Contribute To Red Cross

At a class meeting, March 1, the juniors unanimously voted to contribute \$25 from the class treasury to the Red Cross. In addition, individual members were asked to contribute as liberally as possible.

This class, the first in school to appropriate money from its class funds, felt that no worthier cause could be supported.

The funds were raised last fall by means of a subscription campaign.

March-Red Cross Drive (Editorial)

President Roosevelt's request for a 125 million-dollar donation to the American Red Cross during the month of March amounts to approximately one dollar per person for every man, woman, and child of America.

The services of the Red Cross are too well known to need enumeration. The question is can anyone afford to fail to contribute his proportional part. One dollar will entitle a person to membership. Any donation will be accepted.

Bailey's quota is \$400.

Bailey must not fall short.

Have you contributed?

H. High

CLASS PLANS ACTIVITIES

Victory Corps activities, long planned and devoted in Bailey High School, are now carried out in full by the senior class.

Division of the class into three groups with captains and co-captains for each group makes the corps a competitive organization.

OBJECTIVES

The first active duty assumed by the corps was the assistance in the local Red Cross drive. The three divisions, working competitively, led in the school drive with a \$62.00 collection. The juniors were second with \$40.

Other objectives for the year include buying and selling of war bonds and stamps, collecting books for soldiers, collecting tin cans and kitchen-fats.

Co-operating with the pleasure driving program is also another objective.

Banquet Cancelled

For patriotic reasons the junior-senior banquet this year is to be cancelled and in its place an informal party will be given.

Committees are already working on the food, entertainment, and decoration programs. The date is set for April 9.
