

## Inquisitive Soul

ARE YOU GLAD YOU HAVE  
THE OPPORTUNITY OF ATTENDING  
SCHOOL NINE MONTHS?

MILLARD MORGAN, JR.

No; if it were not  
for this, I could  
spend one month more  
at home.

JOE HIGH

Yes; now I'll have  
more time to study my  
books.

MADELINE DENTON

No; the sooner I  
finish the better  
I'll like it.

MAE JORDAN

No; I have to get up  
too many lessons.

JANICE BUNN

Yes, for I won't have  
to work as much at  
home.

ROMAINE PERRY

No, not for the coun-  
try children, for  
they have to work;  
therefore they can't  
always be present.

CHARLES BROWN

No; it causes stu-  
dents to have to miss  
school to work on the  
farm.

FAYLENE MORGAN

Yes, I can be with my  
friends.

DORETHA SHERROD

No; it is too hot to  
go to school.

LYNETTE WINBOURNE

I like nine months  
because one month I  
won't have to work at  
home.

LUCILLE FINCH.

No; if we work hard  
we can make our grade  
in eight months;  
then, too we are  
needed on the farm.

DORIS WINSTEAD

No; we will have  
better attendance  
with an eight months'  
term.

PANSY RAY BISSETTE

Yes; I like to go  
to school.

DAN JOHNSON

Yes; nine months  
gives us a fairer  
chance when going to  
college.
