

Additional Typewriters Secured for Commercial Department

Five typewriters secured for the commercial department make a total of 17 machines used by 45 students receiving typing instructions from Mrs. Laurine Lassiter, head of the commercial department.

The department has the largest enrollment yet attained. Three one-hour classes are necessary. Of the 45 typing students, five seniors, Romaine Perry, Seroba Anderson, Melba Jean Stott, Ruth Ruffin, and Tommy

Etheridge are taking typing.

"Students show more enthusiasm in short hand this year than ever before," states Mrs. Lassiter. In the class are 14 seniors.

Everyday at noon Mrs. Harold Finch has a lesson under Mrs. Lassiter.

Six seniors, Josephine Griffin, Ruth Ruffin, Madeline Denton, Maxine Finch, Melba Jean Stott, and Raymond Jones are taking Bookkeeping this year.
