Bailey Has Airport

Bailey has an airport now. It is located at Bailey school in Miss Batt's room.

Carroll Jones and Thomas Morgan built the office, which is a two story building with a flag on top.

James Stott and Robert Bunn made the hangar. It is large enough to take care of two planes.

A wingbag to show the pilots which way the wind is blowing was made by Bruce Finch. The tall pole from which the wingbag hangs was made by Robert Bunn.

The spot lights were furnished by Carroll Jones.

One large airplane and one small plane have arrived at the port. Three more planes are being built and we hope they will be completed soon.

MISS THOMPSON'S ROOM
AVERAGED 99% LAST
MONTH IN ATTENDANCE.

UNCLE SAM HAS MANY TYPES OF PLANES

Uncle Sam has many airplanes. He has fighters, bombers, and cargo airplanes.

The big cargo airplanes carry soldiers, food, guns, jeeps, and tractors to other lands. They are real "flying box cars".

The fighters are fast airplanes. Their names are Lightning, Thunderbolt, Mitchell, Flying Fortress and Hellcat.

Lightning P-38 is a single seater, two engine plane and carries its "sting" in the end of its nose.

The Hellcat is a new plane with one engine. It can go very fast. Since the wings can be folded, many Hellcats can ride on an airplane carrier.

Thunderbolt P-47 is larger than most fighters and is one of the fastest and most powerful of the single-engined fighters. It has eight machine guns, all mounted in the wings.

The first four-en-

gined bomber in the world was the Flying Fortress B-17. It has thirteen machine guns.

Pilots of these planes are doing their part for our freedom--
ARE YOU?

Citizenship Interest

The third grade is really working on citizenship. Mr. Weaver's talk over the sound system put them to work. They hate for any room to beat them especially on behavior. WATCH OUT AND SEE WHAT YOU THINK!

THIRD GRADE WINS

The third grade won the attendance prize at the last P.T.A. meeting. Come on third grade, let's do it the third time.

GRADE MOTHER SERVES

Mrs. Clarence Harris entertained 1A and 2A with a Halloween Party.
