

PRIMARY DEPARTMENT

PUPILS STUDY CARE OF TEETH

From the study of Jimmy Chew, a dental health book brought to school by Shirley Webb, the pupils in the first and second grades learned about Four Big Helps which tells them how to take care of their teeth. These Four Big Helps are: Right Foods, Chewing Exercise, Clean Teeth, and your Dentist.

By making use of these Four Big Helps the pupils resolved to have better teeth in the future.

Girls Give Fruit Party

The second grade girls, after reading about a party decided to give one. They brought oranges, apples, and nuts to school. They cleaned and decorated the table. They made plates out of paper. Helen Jean McKeel and Wanda High wore cute little serving aprons and very gracefully did the serving. Each one of the girls expressed themselves as having a very good time.

FEBRUARY HEROES

"In February there were born
Two heroes brave and good.
They loved our country
and they lived
And died as heroes
should."

HAPPY BIRTHDAY TO

Grade Mother Moves

The second grade pupils regret very much the loss of their grade mother, Mrs. C. D. Phillips, who has recently moved to Mt. Pleasant.

Mrs. Phillips visited the grade several times and served the pupils with fruits and candy.

The second grade enjoyed having Mrs. Phillips for their grade mother and wish to express appreciation for what she has done for them this year.

BOYS GIVE PARTY

The second grade boys felt slighted because the girls had not invited them to their Fruit Party. They, therefore, decided to give a party. The boys brought oranges, cakes, candy and nuts to school. They sat around the table which they had decorated. They proved to be good citizens by using good table manners. They enjoyed having the party and are looking forward to another.

VISITORS INSPECT SCHOOL

Dr. Jacocks, and Mr. Strickland visited our school Wednesday. Dr. Jacocks is head of the school coordinating service. Mr. Strickland is the county Sanitary Inspector. They seemed to be well impressed with our school.

Jan Perry and Fannie Lou Manning in the third grade have been present and on time every day this year.
CONGRATULATIONS!
