LITTLE MARY AND AUBEN BISSETTE envious of the good time had by all at activity period couldn't resist joining in.

Bookkeeping I Begins Work On Practice Sets

Proving quite interesting is the practice set recently started by the seniors in Bookkeeping I. The set, R. W. Collins, is for a retail hardware business.

It includes business forms as checks, notes, purchase orders, invoices, statements, and credit memorandums.

Four special journals are used. They are sales, purchases, general cash receipts and cash payments.

The time required to complete the set is six weeks.

Air Base Emerges

Construction of a naval air base near Bailey began last month.

A six-hundred acre air field nine miles east of Bailey is now under construction. Part of the materials, mostly pipes, have arrived, and the field will be completed shortly.

Navy pilots will be trained there.

BAILEY ANSWERS PARALYSIS CALL

Dimes to the amount of \$30.50 have gone on their way to the President from Bailey school for the Infantile Paralysis drive.

One-half the donation will remain in Nash county to help local cripple children and infantile paralysis victims. The remaining fifty per cent will be sent to the National Foundation for Infantile Paralysis to be used for research purposes.

Mrs. Howard Farmer's, Mrs. Laurine Lassiter's and Miss Jewel Langley's rooms led with \$2.50 each.
