## TO THOSE WHO LOOK

To those who look behind each tear, there is a smile; behind each cloudy day, a sunny one.

Dark, threatening clouds are but forerunners of the beautiful white snow. In winter stand bleak, bare, and apparently dead. Spring sees them renewing our faith in life as they burst into foliage and blossom. Our coats are drawn tight, for the wind is severe; soon the sun will cause us to shed them. On dark, gloomy, and rainy days the sun hides behind the clouds, peeping through just long enough to bring us the rainbow. Rain storm bring in their wake flowers and refreshed crops. At night the sun goes to sleep so that the moon and stars may have an opportunity to display their beauty to the world.

Yes, for all the ugly there is beauty. R.L.

MRS. LASSITER: Who is whistling?

MAUDE: I couldn't help it; it just came out.

MRS. LASSITER: You had better put a stopper in it them!

## Church Honors Boys In Armed Services

In honor of the boys in the armed forces that are members of the Bailey Methodist Church, the Missionary Societies of the church have donated a plaque bearing the names of the 37 boys.

Three Boy Scouts hung the ROLL OF HONOR in the church where it can be seen by all entering.

For the memorial service the church was decorated with flowers given by the florist of Wilson and by friends.

The presentation was made by Mrs. J. P. Underwood and Mr. R. M. Meacomes.
