

MARCH 21ST, THE FIRST DAY OF SPRING, WILL NOT MEAN THE SAME THING THIS YEAR THAT IT HAS IN OTHER YEARS. THE WOMEN WILL BE THINKING ABOUT MAKING OVER THEIR SPRING AND SUMMER CLOTHES AND ADDING A FEW ESSENTIAL ITEMS TO HELP FRESHEN UP THEIR WARDROBE, INSTEAD OF GOING ON A BUYING SPREE; AND THE MEN WILL BE THINKING ABOUT GETTING THEIR FARM MACHINERY REPAIRED AND IN SHAPE TO CULTIVATE CROPS AND RAISE THE FOOD WHICH IS SO BADLY NEEDED BY OUR ARMED FORCES AND OUR ALLIES.

SINCE VERY LITTLE NEW MACHINERY IS AVAILABLE, IT IS DOUBLY IMPORTANT THAT WHAT WE NOW HAVE IS TAKEN CARE OF AND KEPT REPAIRED.

THIS ALSO APPLIES TO YOUR CAR OR TRUCK. BE SURE IT IS KEPT GREASED AND THAT THE OIL IS CHANGED WHEN NECESSARY; HAVE THE SPARK PLUGS CLEANED AND THE RADIATOR DRAIN-ED AND FLUSHED; HAVE THE MOTOR TUNED; BE SURE YOUR WHEELS ARE IN LINE SO THAT THE TIRES WILL NOT WEAR UNNECESSARILY; AND HAVE THE TIRES CHANGED AROUND AS EVERYONE HAS BEEN ASK-ED TO DO.

COME IN AND LET US GIVE YOUR CAR A GENERAL CHECK-UP. \$1.00 SPENT TODAY MAY BE \$10.00 SAVED TOMORROW.

PARSONS MOTOR COMPANY
