SNOOPING SAM

From the conduct displayed at the 4H Club meeting by James, Keith, and Bobby R. we wonder if they are really sincere in desiring to join the 4H club, or are they trying to skip classes?

Well, well, just take a look at Jewel Bisette, Sallie Lou Perry, Roy Mullin, Easter Pearl, Dorothy E. and many others. They look as if they have been sick for a month. Don't dare ask their trouble because it makes them sicker. Just take a look at their hands--they have no senior rings to be displaying! Reason--rings just didn't come.

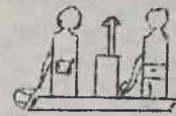

LOST: Write-right coupons. Anyone returning them will be awarded by having the opportunity to purchase them and thereby save the trouble of "obtaining without permission".

What is your secret in reading shorthand, Lynette? Maybe some of the seniors would like to share it with you.

What a thinker. Dorothy E. thinks so much faster than she writes she leaves out letters of her own name!

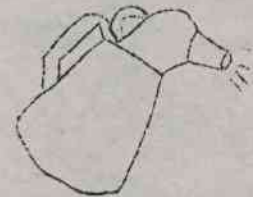

Poor seniors, what will they have to bear next? Now they are blamed for Mr. Weaver's gradually becoming bald.
