

VACATIONS FURNISH SPUR FOR COMING TERM

Summer vacation provided varied inspirations and stimuli for the coming year for the high school faculty.

Mrs. Howard Farmer attended a summer session at Chapel Hill where she studied and observed demonstrations of high school English work.

Miss Jewel Langley aided in the cannery and continued her work with the Youth fellowship and Girl Scouts.

Mr. Leamon Tapp supervised the cannery.

TOURS

Mrs. Laurine T. Lassiter spent six weeks in Chicago and the remainder of her vacation in her hometown, Murray, Kentucky.

Miss Wilma Johnson visited Tennessee and the largest lake in North Carolina, Lake Mattamuskeet.

Mr. M. W. Weaver, the principal, stayed in Bailey and was County Agent of the 4-H Club.

NEW TEACHERS

Miss Edith Farmer visited Richmond and Washington.

Mrs. Louis Watson remained in Bailey getting settled in her new home.

Mrs. H. R. Hinton spent most of her time in New York and one month in Norfolk.

New Students Enter High School

Three Rooker girls, Evelyn, Elsie Mae, and Dorothy, join high school this year as new students.

The Rookers, previously of Henderson, moved to town about six weeks ago.

Other new students are Margery Womble, who returns after three years, and twenty-five eighth graders from Mount Pleasant.

SENIOR 4H ORGANIZES

First meeting of the senior 4H club was held October 10. The meeting was opened with the club motto and the singing of America.

Officers elected were Pansy Ray Bissette, president, Susie Gay Boykin, vice president; Elsie Rooker, secretary.

Yellow-jacket Overpowers Manning

Buzz, buzz, buzz was heard amid the shrieks of "go way," "shoo," and "hand me a book, quick" in Mrs. Farmer's Journalism Class.

Willis Manning, apparently undisturbed by the clamor, reaches up to slap an annoying fly from his neck, --- Poor Willis, an irritated yellow-jacket stings him.

Next day, Willis emerged sheepishly carrying one arm in a sling; it seems the yellow-jacket had temporarily put the arm out of commission. The only comment from said victim was that it was just his luck that if he had to be stung it was on his left instead of his "writing" hand. S.L.P.
